**Sub: Introduction of Loaderless Mine Concept.**

Dear Sir,

Kindly refer to the letter No.CMD:ES:F-20:09: 504 dated 28/29.01.09 issued under the signature of CMD.BCCL and letter no.D(T)Opr./F-39/09/108 dated 17/18.02.09 issued under the signature of D(T)OP on the above subject.

The matter was deliberated at length by D(T)OP with all Area CGM/GMs and also in the CGM/GMs co-ordination meeting held on 06.02.09 and 12.3.09 . A proposal in pursuance to the report submitted by the duly constituted committee was placed before CMD whose directives are placed hereunder for necessary action and compliance.

“ As proposed mines other than Barora Area, E.J Area , Moonidih & Lohapatti of W.J.Area and Begunia Colliery of CV Area, the PR workers of UG of all other places including surface PR trammers to be engaged as TR workers after observing the modalities of conversion from PR to TR from 01.4.09 ( except temporary arrangement as approved by D(T)OP ) for places required. Regarding engagement Area should ensure that 100% mechanical loading, additional dist. preparation, existing shortage of TR manpower and addition requirement of tech. pool are covered after this conversion. No engagement of TR in surface from UG workers are allowed without approval of the undersigned. Area GM/CGMs should obtain the consent from UG PR workers before engagement for working in TR job with protection of SPRA as per need of management /available vacancy of TR post. Regarding PR trammers conversion to TR trammers company's laid down procedure to be followed.”
