Dear Sirs
Sub: Notice Inviting Tender for supply of DGMS approved 50 HP Starter

1. Sealed tenders are invited in duplicate only from the manufacturers or their exclusively authorized sole selling agents to offer against this tender for supply of DGMS approved 50 HP Starter on trial basis to various Areas of BCCL as per detailed specifications enclosed as annexure – A.

2. Requirement:

<table>
<thead>
<tr>
<th>Sl No</th>
<th>Item description</th>
<th>Quantity</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>DGMS approved 50 HP Starter</td>
<td>8 Nos</td>
</tr>
</tbody>
</table>

3. The offers are to be submitted before the closing date and time as mentioned above. Late Tenders will not be considered.

4. Tenders may be deposited in person by the tenderer in the Tender Box kept at Tender cell, Purchase Department, office of the CGM(MM), Bharat Coking Coal Limited, Commercial Block, Level –III, Koyla Bhawan, Koyla Nagar, Dhanbad or sent by post or courier to the above address. Bharat Coking Coal Limited, however, do not take any responsibility for loss of tender in transit. Tender must be received on or before the due date and time of submission of tender. Tender received after due date of submission of the tender shall not be considered. No request for relaxation in this respect will be entertained.

5. Tenders sent through telegram, telex, Fax or E-Mail will not be considered.

6. Tender documents/forms purchased by one firm are not transferable to another firm.

7. The tender document is divided into the following parts:
   
   
   ii) Annexure ‘B’ - Commercial Terms and condition
   
   iv) Annexure ‘C’ - Blank format of price bid as to be quoted by the tenderer (without price) for quoted items
   
   vi) Annexure ‘D’ - Check List with Commercial statement check list.

8. (a) The offers are to be submitted in three parts. The first part “Part-I i.e. Technocommercial offer” should contain the detailed Technical and commercial terms of the offer. In other words it should contain the required details as per annexure A to E as stated at clause 7. However, this should not contain the price. The envelope should be sealed superscribed with the tender number and the date of opening and must mark Part I.

   (b) The second Part “Part-II i.e. Price Bid” should contain the details of price only. The price bid should be submitted as per Proforma enclosed as Annexure – “C”. The envelope should be sealed superscribed with the tender number and the date of opening and must mark Part II.

   (c) “Part – III” [Applicable for those tenderers who will download tender documents from our web site.]

In this case the intending tenderer must enclose the requisite tender fee as Bank Draft from any schedule Bank drawn in favour of “BHARAT COKING COAL LIMITED” payable at Dhanbad in the “Part – III” envelope. The envelope shall be sealed, super scribed with tender number and due date of opening and must mark “Part-III”.

In case of any ambiguity or contradiction the decision of Bharat Coking Coal Limited shall be final.

Last date for submission of Tenders: 30th June, 2023 (5:00 PM)
All the envelopes containing the tender shall be properly sealed. Envelopes stapled shall not be accepted. The name and address of the bidder must also be indicated on the envelopes. Please note that envelopes stapled shall not be accepted.

All these three sealed envelopes i.e. “Part – I” [Techno-commercial bid], “Part- II” [Price bid] and “Part – III” [Requisite tender fee as indicated in the tender notice] should be kept in a sealed envelope subscribing with the details of the tender No. and due date and time of submission and opening along with the name and address of the bidder.

In absence of “Part-III” for those tenderers who have down loaded the tender documents from our website

09. Part - I (Techno commercial Offer) and “Part – III” (Tender fee) will be opened on the due date of tender opening in the office of the CGM(MM), Commercial Block, L-III, Koyla Bhawan, Dhanbad –826 005 in presence of the authorized representative of the attending bidders.

NOTE.

a) Tenders not submitted in the above manner will not be accepted.
b) If tenderer disclose their price in the techno-commercial bid(Part-I), the offer will be re-sealed and will be treated as invalid offer by the Tender opening Committee.
The price bids i.e. Part- II of only those tenders whose Part- I is found to be techno-commercially acceptable to BCCL will be opened later on. Date and time of opening will be suitably be intimated to such bidders whose offers are found techno-commercially acceptable.

10. Bharat Coking Coal Limited reserves the right to accept or reject any or all offers in part or in full without assigning any reason thereof.

11. Earnest Money:
a) An Earnest Money of Rs. 4800.00 (Rs. Four thousand eight hundred only) only in terms of Bank Draft of any schedule Bank drawn in favour of Bharat Coking Coal Limited payable at Dhanbad must accompany the Part I (Techno-commercial offer) otherwise offer shall be considered unresponsive.
b) If it accompanies the Part-II(Price bid), it will be presumed that tenderer has not deposited the requisite Earnest money and their offer shall be considered unresponsive.
c) For unsuccessful tenderer, EMD shall be refunded immediately after finalization of the Tender.

12. Security money – Successful tenderer are required to deposit security money in the form of Bank Draft / Bank Guarantee of any schedule Bank of 10% value of the order(value means F.O.R destination price) within 15 days from the date of receipt of order. Bank Draft should be drawn in favour of “Bharat Coking Coal Limited” payable at Dhanbad. In case they fail to deposit the same, the order shall be cancelled and the case shall be processed to order elsewhere and the firm’s performance is to be kept recorded for future dealings with them. The security will be refunded to the firm within 30 days of satisfactory execution of the contract. (Execution of the contract means successfully completion of supply against the order) For unsatisfactory performance and/or contractual failure the security money shall be forfeited. The earnest money deposit will be refunded to the firm after submission of requisite security deposit.
14. The bidders must give a declaration that they have not been banned or de-listed by any Government or quasi-Government agencies or PSUs. If a bidder has been banned by any Government or quasi-Government agencies or PSUs, this fact must be clearly stated and it may not necessarily be a cause for disqualifying them. If this declaration is not given, the bid will be rejected as non-responsive.

15. Bharat Coking Coal Limited reserves the right not to make any procurement against this tender without assigning any reasons.

16. Tenders of those tenderers who suo moto offer different prices or change the terms which effects the quoted price of the firm within the validity of the offer shall be treated as invalid offer ab initio and the action against such tenderer as per CIL rules / procure will be taken.

17. ALL CONTRACTS WILL BE IN ACCORDANCE WITH THE PREVALENT INDIAN LAW AND ALL DISPUTES ARE SUBJECT TO THE JURISDICTION OF DHANBAD COURT AND JHARKHAND HIGH COURT ONLY.

IMPORTANT NOTE:

(i). The tenderers are requested to go through all the Annexure and furnish specific replies to each question raised therein.

(ii). Printed terms and conditions of the vendor shall not be considered. Tenderers are requested to submit their offer complete in all respects maintaining serial number of items, terms and conditions as per tender documents along with all supporting documents failing which offer may not be considered.

(iii). Normally no deviation is acceptable to our tender documents. Terms and offers which are in deviation are liable for rejection without making back reference to the tenderers. Offers as asked must be submitted complete in all respects.

(iv). Self attested copies of orders received from subsidiaries of CIL for the quoted items should be submitted along with the quotation in the Part-I (Techno-commercial offer). List of past supplies with the details of order reference and the performance report if any should be furnished along with the offer.

(v). The complete offer should be typed in the letter head of the tender (Hand written quotation will be summarily rejected). If firm’s letterheads are not sufficient to accommodate technical and pricing details preferably bigger papers may be used, such sheets along with other pages of the offer should be signed and stamped by company’s authorised signatory.

(vi). All pages of tender documents should be signed including all enclosures submitted with the tenders except printed leaflets / catalogues and have company’s seal. This is must otherwise offer shall be rejected.

(vii). Erased and over written quotations will be summarily rejected unless corrections are authenticated with the tenderer’s signature.

(viii) BCCL reserves the right to increase or decrease the tendered qty. against any/all the items of the tender.

(ix). The tenderer must submit separate sheet in Part ‘I’ (Techno-commercial offer) indicating any deviation in their offer from the Technical and Commercial terms specified/required.
(x) Offer of those tenderers will not be considered commercially acceptable who did not successfully execute previous order placed on them by BCCL despite giving commercial notice and against whom penal action has been initiated for breach of contract.

(xi) Govt./ Undertaking / Ancillary Unit of BCCL for the tendered item, are exempted from paying tender fee.

(xii) Bidders for the items requiring DGMS approval shall have to submit copy of DGMS approval with latest validity extension. If any. They will also submit copy of valid BIS license (if applicable). These documents will also be duly authenticated by the bidders (stamped and signed) and attested by the court of Notary Public.

(xiii) As per Center Vigilance Commission (CVC) guidelines no post tender negotiations may be held except in case of Proprietary purchase or for items with limited sources of supplies (negotiations in such case may be held with L-1/preferred L-1 vendor).

(xiv) If L1 tenderer do not have adequate capacity to supply full quantity tendered, the uncovered quantity order may be distributed to L-2 tenderer at L-1 rate. Similar process of counter offering L-1 rate to L-3 tenderer, L-4 Tenderer and so on and placement of order for their offered quantity subject to matching L-1 rate will continue till the full requirement is covered for supply within the specified delivery period.

Not withstanding anything said above, BCCL reserves the right to follow any guideline or instruction received from the Government or any statutory bodies from time to time.

Encl: As above                                Yours faithfully

For & on behalf of Bharat Coking Coal Limited.
ANNEXURE- B

COMMERCIAL TERMS FOR EQUIPMENTS

1. Part-I i.e. TECHNO COMMERCIAL OFFER should contain the following (but not the price of any item):

   i) Name and address of the original Manufacturer along with full details of the contacts persons, Telephone No, Fax No., E. Mail address etc.

   ii) Details of order received giving the name of the buyer, their address and country, date of order and number of machines ordered and supplied. Specific details should be given regarding the machine supplied and running in India with full address of the user, so that the same can be verified if felt necessary.

   iii) Details of collaborations, if any.

   iv) Details of After Sales Service to be provided, namely address of service depots, if any, strength of after sales service personnel and their qualifications and backgrounds.

   v) Details of Training offered, if any.

   vi) Details of quality control measures/stage inspections carried out. Accreditation of any approved std. quality control institute or organization may be indicated certifying the quality system of the bidder.

   vii) Details regarding location of the works. The purchaser reserves the right to inspect the works of the bidder. What are the facilities they will provide to carry out pre despatch inspection in stages of manufacturing process, if buyer wish to do so.

   viii) The commercial status of the offers received against this tender shall be determined after off-setting the amount payable towards VAT if applicable for which input credit is admissible to BCCL.

   ix) A statement certifying that the bidder accepts all the commercial terms and conditions of Bharat Coking Coal Limited given in this bid documents without any reservation whatsoever.

2. (A) PART II i.e. PRICE BID should contain the following:

   i) Rate (Prices) must be quoted FIRM & FOR Destination basis with the following break up.

   a) Ex-Works Price

   b) Freight, Insurance, Packing & Forwarding charges on lump-sum basis.

   c) Excise duty if applicable (It will be payable extra on Ex-works price basis). Refund/Credit, if any, obtained shall be passed on to the buyer which shall be certified by the Auditor of the supplier.

   d) Sales Tax (It will be payable extra as applicable)

NOTE: - (1) Excise Duty - The legally applicable rate of Excise Duty should be clearly mentioned in the commercial bid (PART I) and the rate and the value in the price bid (PART-II).

In case the price is stated to be inclusive of excise duty, the current rate included in the price must be indicated. If the tenderer is exempted from paying the excise duty, the same must also be confirmed with valid documentary evidence.
ii) In case the rate of excise duty varies with the turnover of the company, and the price is exclusive of excise duty, the tenderer shall have to specify the rate applicable to BCCL. If the tenderer fails to specify the exact rate of ED applicable, the maximum rate currently leviable shall be loaded on the price. A certificate of Supplier’s Auditors certifying that they have paid Excise duty as per prevailing Rates and refund if any has been passed on to the buyer shall have to be furnished at the time of supply.

(2) **Sales Tax / VAT**: The legally applicable rate of Sales Tax / VAT should be clearly mentioned in the commercial bid (PART-I) and the rate and value in the price bid (PART-II).

(3) The rate must be indicated both in figure and words. If there is difference between both, the amount appearing in words shall be taken for consideration.

i) In case of direct import by us, price will be on F.O.B. delivery Port basis only. The Price must be on FIRM basis.

iii) In case of Imported stores and prices are in Indian rupees on FOR destination basis, only applicable sales tax and statutory local levies (if any) will be payable extra. The price must be on FIRM basis.

iv) Conditional discount including quantity discount will not be considered for comparative purpose. Cash discount or Prompt payment discount will also be treated in the same manner. However only unconditional discount will be taken into account for comparative evaluation. In case of F.O.B price all discount attracts custom duty etc. except trade discount.

v) In case of imported stores other than direct import by BCCL, the firm should quote FOR destination price in Indian rupees and firm shall give a certificate along with their offer of their Auditors certifying that they have paid Customs and other applicable Duties as per prevailing Customs Rates and refund if any shall be passed on to the buyer.

Additional Requirement where buyer can avail the Project Concessional Custom Duty on the imported contents, you must indicate the following:

a) CIF value of the imported content, if any, both in Indian Rupees and in the specified foreign currency indicating the date of applicable exchange rate and the applicable rate of custom and other duties.

b) Rate of customs duty on imported component taken for computation of the prices - both for project concessional and for the normal rate.

2 (B) – Detail evaluation of financial bids.

2 (B) (a) In spite of mentioning that offers should be submitted by the tenderers on FOR destination basis as per clause 2(A)(i) above, in case a tenderer does not specify the basis of price or quoted on ex-works or FOR despatching station basis, the price will be loaded to arrive at the F.O.R. destination price on the following manner.

<table>
<thead>
<tr>
<th>Approximate distance of dispatching Station from Consignee’s end.</th>

To arrive the FOR destination Price in Indian Rupees, the exchange rate published in National Newspaper applicable on the date of opening of Price Bids will be taken. The applicable rate will be “Selling BC Rate”.

3. VALIDITY:- The offer must be valid for acceptance for a period of 180 days from the date of opening tender. Offers will not be permitted to be withdrawn during this period.

4. ULTIMATE CONSIGNEE:- The materials may be consigned to any of the depot of BCCL.

5. PRICE VARIATION: Only FIRM price shall be quoted. No price variation will be allowed during the pendency of the contract excepting for price fall clause.

6. PAYMENT TERM:- 100% Payment shall be made after six months of satisfactory performance against submission of Bank Guarantee of equivalent amount valid for a period of 12 months thereafter (beyond initial six months).

Note - No payment will be made for incomplete supply.

7. Either the Indian Agent on behalf of the foreign principal or the foreign principal may directly bid in a tender but not both.

If an agent participates in a tender on behalf of one manufacturer, he should not quote on behalf of another manufacturer along with the first manufacturer for the same item.

8. In case of indigenous supplier, Tenderers are required to furnish the following details/information in the techno-commercial bid Part-I for transferring the Money to the supplier’s account through “e-banking” while making payment.
   a. Name of the Bank.
   b. Name of the Branch with complete address.
   c. Party’s Account Style.
   d. Party’s nature of Account.
   e. Party’s Account Number.

In absence of above details/information offer may be liable to be considered unresponsive.
9. REQUIRED DELIVERY SCHEDULE:- Bidders are required to quote their best possible delivery schedule clearly indicating period of commencement, period of completion and the rate at which supply shall be made.

   i) The delivery schedule quoted in the offer shall be firm and final. Delivery will be counted from the date of receipt of the order. Failure to supply the material in time may attract penalty as per clause No. 10.

   ii) The bidder should be in a position to supply in specific delivery period, if indicated, at least 25% of the total tendered quantity, otherwise offer shall be considered unresponsive.

10. PENALTY FOR FAILURE TO SUPPLY IN TIME:

The time and date of delivery of stores stipulated in Purchase order shall be deemed to be of the essence of the contract and delivery of the stores must be completed by the date specified. No materials should be supplied beyond the specified delivery period, unless specific approval has been obtained from the purchaser.

In the event of failure to delivery or dispatch the stores within the stipulated date/ period in accordance with the samples and/or specification mentioned is the supply order, and in the event of breach of any terms and conditions mentioned in the supply order. Bharat Coking Coal Limited reserves the right:

a) To recover from successful tenderer, as agreed liquidated damages, a sum not less than 0.5% (half percentage) of the price of the stores which successful tenderer has not been able to supply (for this purpose part of a unit supplied will not be considered) as aforesaid for each week or part of a week during which the delivery of such stores may be in arrears limited to 10%. Where felt necessary the limit of 10% can be increased to 15% at the discretion of BCCL.

b) To purchase elsewhere, after due notice to the successful tenderer on the account and at the risk of the defaulting supplier the stores not supplied or others of a similar description without canceling the supply order in respect of consignment not yet due for supply or

c) To cancel the supply order or a portion thereof, and if so desired to purchase the store at the risk and cost of the defaulting supplier and also

d) To extend the period of delivery with or without penalty as may be considered fit and proper. The penalty, if imposed shall not be more than the agreed liquidated damages referred to in clause(a) above.

e) To encash any Bank guarantee which is available for recovery of the penalty or

f) To forfeit the security deposit full or in part.

g) Whenever under the contract a sum of money is recoverable from and payable by the supplier, BCCL shall be entitled to recover such sum by appropriating, in part or whole by deducting any sum or which at any time thereafter may be due to the successful tenderer in this or any other contract with Bharat Coking Coal Ltd. or any subsidiary of Coal India Ltd. Should this sum be not sufficient to cover the full amount recoverable, the successful tenderer shall pay BCCL on demand the remaining amount. The supplier shall not be entitled to any gain under this clause.

The bidder must confirm the acceptance of this Penalty clause which will not be altered.

11. GUARANTEE/WARRANTY/PERFORMANCE BANK GUARANTEE
i) The item will be warranted against any manufacturing defects /workmanship for a period of 12 months from the date the date of commissioning or 18 months from the date of receipt and acceptance. Any defect observed on this account shall be attended to immediately and in no case beyond a period of one month. For specific warranty on assemblies and sub assemblies, if any, details given in Technical specification may be referred to.

ii) Special Warranty Clause- If the order is decided to be placed, the bidder should confirm against the clause that in the event of any breakdown or failure of performance due to defects in material, design, workmanship, spare parts etc, BCCL shall promptly notify the supplier in writing of any claims arising under the warranty. The repair, replacement or rectification work shall be carried out by the supplier at the site at no cost to the purchaser within 21 days of settlement of warranty claims.

“ At no cost to the purchaser “ means, the supplier will have to bear all the expenses up to the destination site ie Ex- Works prices, Excise duty, Sales tax, Insurance, Inland transportation charges etc as applicable to ensure free delivery of warranty replacement at BCCL collierie sites.

The suppliers will be required to stock spares to take care of warranty period breakdown.

iii) All warranty repairs will have to be attended to by the supplier at site and all services and spares will have to be provided at site free of cost including all freight, duties including customs duty, taxes etc.

iv) The supplier must ensure that there is no major breakdown due to manufacturing/design defect during the warranty period. In cases such breakdown occurs, the purchaser will reserve the right to extend the warranty period suitably as per the availability clause, if any, mentioned in the technical specification.

v) A Performance Bank Guarantee on Scheduled / Nationalized Bank in India valid for 12 months after completion of six months satisfactory performance for 100% value of the order (value means FOR destination price including taxes, duties, transportation and insurance charges and other charges, if any) shall have to be submitted to MM Division, BCCL, Koyla Bhawan. PBG may be submitted for the entire order quantity at a time or each equipment wise / lot wise (Format of Performance Bank Guarantee is enclosed herewith as Appendix-I).

12. PACKING FOR TRANSIT.

The bidder should confirm provision of proper packing of the goods to be shipped by them if order is placed on them as is required to prevent their damage or deterioration during transit to their final destination. The packing shall be sufficient to withstand, without limitation, rough handling during transit. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the goods final destination and absence of heavy handling facilities at all the points in transit. The packing, marking and documentation within and outside the package shall comply strictly with such special requirement as shall be expressly provided for in the order.

13. ERECTION & SUPERVISION (if required as per technical specification)

The supplier shall be responsible for the erection and commissioning at no extra cost to the purchaser within 75 days of receipt of complete equipment at site. However, the purchaser will assist in providing necessary erection tools & tackles etc. and unskilled manpower for this purpose.
14. QUALITY CONTROL MEASURE
The bidder shall furnish details of quality control measures being adopted by him, including any International / Indian standard being followed. The details should include the equipment and personnel employed for this purpose.

15. PRICE FALL CLAUSE:

i) The prices charged for the stores supplied under the contract by the supplier shall in no event exceed the lowest price at which the supplier offer to sell the stores of identical description to any other organization from date of offer till completion of supply under the contract.

ii) If at any time during the said period the supplier offers lower sale price of such stores to any other organization at a price lower than the price chargeable under this contract, the supplier shall forthwith notify such reduction or sale to the consignee concerned under intimation to CGM(MM), Bharat Coking Coal Limited, Commercial Block, Level –III, Koyla Bhawan, Koyla Nagar, Dhanbad and the price payable under the contract for the stores supplied after the date of coming into force of such reduction or sale, shall stand correspondingly reduced. The above stipulated will not, however, apply to exports by the supplier.

The bidder should confirm their acceptance of the above clauses.

16. FORCE MAJEURE CLAUSE
If the execution of the contract/supply order is delayed beyond the period stipulated in the contract / supply order as a result of out-break of hostilities, declaration of an embargo / curfew or blockade or fire, flood, acts of nature or any other contingency beyond the supplier's control due to act of God then BCCL may allow such additional time by extending the delivery period, as it considers to be justified by the circumstances of the case and its decision shall be final. If and when additional time is granted by BCCL the contract/supply order shall be read and understood as if it had contained from its inception the delivery date as extended. Further this clause state that:

a) The successful bidder will, in the event of his having to resort to this clause by a registered letter duly certified by the local Chamber of Commerce or statutory authority, the beginning and end of the causes of the delay, within fifteen days of the occurrence and cessation of such Force Majeure Conditions. In the event of delay lasting out of Force Majeure, BCCL will reserve the right to cancel the contract and provisions governing termination of contract, as stated in the bid documents will apply.

b) For delays arising out of Force Majeure, the bidder will not claim extension in completion date for a period exceeding the period of delay attributable to the causes of Force Majeure and neither BCCL nor the bidder shall be liable to pay extra costs provided it is mutually established that Force Majeure Conditions did actually exists.

c) If any of the force majeure conditions exists in the place of operation of the bidder even at the time of submission of bid, he will categorically specify them in his bid and state whether they have been taken into consideration in their quotations.

17. INSPECTION & TESTS.

i) The purchaser or its authorized representative shall have the right to inspect and/or to test the goods to confirm their conformity to the contract. The purchaser shall notify the supplier in writing of the identity of any representative retained for these purposes.

ii) The inspections and tests may be conducted on the premises of the supplier or its subcontractor(s) at point of delivery and/or at the goods final destination when conducted on the premises of the supplier or its subcontractor(s), all reasonable
facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the purchaser.

iii) Should any inspected or tested Goods fail to conform to the specifications, the purchaser may reject them and the supplier shall either replace the rejected goods and make all alternatives necessary to meet specification requirements free of cost to the Purchaser.

iv) The materials will be inspected on arrival at site by the consignee, which will be considered as final. This shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representatives prior to the dispatch of the Goods.

v) Nothing in these documents shall in any way release the supplier from any warranty or other obligations under this contract.

WITH SEAL & STAMP

APPENDIX-I

LETTER OF PERFORMANCE GUARANTEE.

1. Messers -------------------------------- a company having its office at ----------------------------------hereinafter called the Seller has entered into a Contract No.--
(hereinafter called the said Contract) with Bharat Coking Coal Limited (hereinafter called, the Purchaser) to supply equipment on the terms and conditions in the said Contract.

It has been agreed that hundred percentage (100%) payment of the value of the equipment will be made to the seller in the terms of the said Contract on the seller furnishing to the Purchaser a Bank Guarantee for the sum of equivalent to 10% of the value of each equipment and accessories dispatched by the seller as security for the due and faithful performance of the terms of the said contract and against any loss or damage caused to or would be caused to or suffered by the purchaser by reason of any of the terms or conditions contained in the said contract.

The Bank having its office at has at the request of seller agreed to give the guarantee herein after contained.

2. We, Bank Ltd., do hereby undertake to pay the amounts due and payable under this guarantee without any demur merely on a demand from the purchaser stating that the amount claimed is due by way of loss or damage caused to or would be caused to or suffered by the purchaser by reason of any breach by the said seller of any of the terms or conditions contained in the said contract or by reason of the seller’s failure to perform the said contract. Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. We shall not withhold the payment on the ground that the seller has disputed its liability to pay or has disputed the quantum of the amount or that any arbitration proceeding or legal proceeding is pending between purchase and the seller regarding the claim. However, our liability under this guarantee shall be restricted to an amount not exceeding .

3. We, Bank Ltd., further agree that the guarantee herein contained shall come into force from the date hereof and shall remain in full force and effect during the period that would be taken for the performance of the said contract and that it shall continue to be enforceable till all the dues of the purchase under or by virtue of the said contract have been fully paid and its claim satisfied or purchase certified that the terms and conditions of the said contract have been fully and properly carried out by the said seller and accordingly discharged the guarantee. Unless a demand or claim under this guarantee is made on us in writing on or before the (date to be given months from the date of Bank Guarantee) we shall be discharged from all liability under this guarantee thereafter.

4. We, Bank Ltd. further agree with the purchaser, that the purchaser shall have the fullest liberty without our consent and without affecting in any manner no obligations hereunder to vary any of the terms and conditions of the said contract or to extend time of performance by the said seller(s) from time to time or to postpone for any time or from time to time any of the powers exercisable by the purchaser, against the said seller and to forbear or enforce any of the terms and conditions relating to the said contract and we shall not be relived from our liability by reason of any such variation or extension being granted to the said seller or for any forbearance act or omission on the part of the purchaser, or any indulgence by the purchaser to the said seller by any such matter or thing whatsoever which under the law relating to sureties would be for this provision have effect of an relieving us. The Bank further agrees that in case this guarantee is required for a longer period and it is not extended by the bank beyond the period specified above, the bank shall pay to this purchaser the said sum of or such lesser sum as may be due to the purchaser and as the purchaser may demand.

5. We, Bank Ltd. lastly undertake not to revoke this guarantee during its currency except with the previous consent of the purchaser, in writing.

6. The Bank has under its constitution power to give this guarantee and Mr. Manager, who has signed it on behalf of the Bank has authority to do so.

7. This Bank Guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor.

Date Day of 20
For Bank Limited

Signature of the authorised person for and on behalf of the Bank
SPECIFICATION OF STARTER

1.0 SCOPE
This specification covers the requirement for three phase star delta / DOL, Autotransformer, Reactor and soft start saturable reactor starter for cage motors from 415V to 6.6 KV. The standard shall comply with the requirement of IS 13947 part – 4 for 415V & 525V motors and IS 12661 for HT motors except where modified or extended by the provision of this specification and with the relevant parts of standard mentioned in clause 2.0. Any material and component not specifically stated in this specification but necessary for trouble free operation of the equipment and the accessories specified herein shall be deemed to be included.

2.0 OTHER RELEVANT STANDARDS
The other relevant standards applicable as under:
IS 5142 Continuous variable voltage auto transformers
IS 11171 Dry type transformers
IS 5553 Current limiting reactor
IS 13118 General requirement for circuit breakers for voltage exceeding 1000V
IS 13947 (Part-3) Fuse switch units not exceeding 1000V A.C.
IS 9920 HT Isolators and switches
IS 13947 (Part-5) Rotary switch not exceeding 1000V A.C.
IS 10624 High Voltage fuse link for motor circuit application
IS 9385 (Part -1) High voltage fuses (current limiting fuses)
IS 9385 (Part – 3) Application guide for high voltage fuses
IS 9385 (Part – 5) High voltage fuses. Type & dimensions of fuse link for current limiting fuses
IS 13703(Part1-4) LV Fuses not exceeding 1000V A.C.
IS 12021 Specification for control transformers for voltages not exceeding 1000 V A.C.
IS 13974 AC Contactors not exceeding 1000V A.C.
IS 9046 AC Contactors above 1000V upto and including 11000V A.C.
IEC 470 HV AC Contactors(Vacuum)
IS 2705 Current Transformer
IS 6949 Core balance transformer
IS 3156 Voltage transformer
IS 1766 Time switch
IS 8588 Thermostatic bimetals
IS 3842 Electric relays for AC system
IS 722 AC Electricity meters
IS 1248 Indicating instruments
IS 1901 Indicating lamps
IS 2419 Dimensions of measuring instruments
IS 2147 Degree of protection provided by industrial enclosure
IS 2148 FLP Enclosure for electrical apparatus
IS 1554 PVC Insulated heavy duty cables for working voltage not exceeding 11000V
IS 2274 Electrical wiring of installations
IS 3043 Code of practice for earthing
IS 732 Code of practice for electrical wiring
IS 3072 Code of practice for installation and maintenance of switch gears
The equipment covered under this specification shall comply with all the latest applicable statutory rules, regulations, acts and safety codes which may be in force during the period of execution and which are related with design, construction and operation of equipment in the locality where equipment is to be installed.

3.0 Service condition:
   a) Ambient temperature: Maximum 50°C for NFLP Motor and Maximum 45°C for FLP Motors
   b) Location: Heavily polluted atmosphere with coal dust for NFLP and Degree three gassy mine for FLP

4.0 Design, 4.1 Electrical:
   a) All Starter shall be designed for over load, short circuit, and earth leakage protection
   b) Over load and short circuit protection by solid state relays. Range of current adjustment 50 to 150% and Instantaneous setting 200 to 600%. Earth leakage protection with suitable sensitive directional earth leakage relays suitable for operation on restricted neutral system with trip level range 80 mA to 1A in suitable steps with time delay 0 to 1 sec. in steps of 100 m Sec., with provision of disconnection. Testing & resetting of the relay by means of push buttons on front cover panel. Indication of E.L. Trip by means of indicating lamp on cover. In case of 1000HP & 500 HP of 6.6 KV Starter over load protection shall be provided by electromagnetic inverse time relays & short circuit protection by electromagnetic instantaneous attracted armature relays. Protection of earth leakage shall be provided by earth leakage relays acting on auxiliary contacts with trip range 1 to 5 A.
   c) DOL starter shall be designed for tripping in case the motor fails to achieve rated speed by 20 sec.
      a) Star delta starter shall be designed for auto change over by 30 seconds
      b) Auto transformer starter shall be designed for auto change over by 40 seconds
      c) Reactor starters shall be designed for auto change over by 40 seconds
      d) Soft starter saturable reactor starters shall be designed for smooth increase of the line current from zero value. There shall be no rise above rated value.
   h) All Starter shall be designed to prevent sudden starting after the restoration of power supply.
      i) All Starter shall be designed for protection against single phasing (current sensing)
      j) Star delta starters shall be limited between 30 KW to 350 KW. Below 30 KW DOL Starter.

4.2 Mechanical:
   a) All starter shall be designed to withstand the thermal and electromagnetic stresses due to over load and short circuit faults.
   b) All Starter shall be designed for easy accessibility to components for inspection and maintenance.
   c) All Starter shall be designed for safety interlock to ensure opening of the door only when the isolator is off.

5.0 Construction:
5.1 Electrical:
   a) All power contactors of starters shall be AC – 3 in accordance with relevant codes. Vacuum contactor will have to provide for 6.6 & 3.3 KV starter and air break contact for 550V starter. The make of contactor will be L & T / Semen’s / ABB / Tele mechanics, or any reputed make..
   b) HRC fuse on starters shall be current limiting type. HRC fuse shall be cartridge type mounted on compatible fuse base.
Starter shall have ON/OFF/RESET push buttons .

Starter shall have glow lamp for each phase .

Starter shall have ammeter with selector switch .

Starters shall have CT for protection & metering and have CBT for Earth leakage protection .

3.3 KV and 6.6 KV Starters shall have Voltage transformer for measurement .

Starters shall have timers . The setting shall be between 2 to 60 seconds .

All auto transformers , reactor and soft start suitable reactor starters shall have reactors of the dry type in accordance with relevant code .

The off load interlocked reversing isolator of capacity 300% of full load current shall be provided .

5.2 Mechanical :

Starter shall have FLP enclosure and those for NFLP shall have Industrial enclosure

All NFLP starters shall have IP 44 and IP 54 degree of protection in indoor & outdoor location respectively in accordance with relevant code .

All NFLP starters shall have enclosure made of MS Sheet 1.6 mm thick

Starters shall be free standing floor mounted skid type .

Starter shall have two separate earthing terminals on two diagonally opposite corner for earthings of the enclosure .

Cable terminal for NFLP Starter shall have IP 54 degree of protection in all location

Cable terminal box shall have FLP enclosure for incoming outgoing and through going cable sealing/terminating box, suitable for mining type PVC /PILC, DWA.

3.0 Technical Parameters :

1. Reference standard : IS 13947(Part 4) / IS 12661
2. Reference standard for enclosure : IS 2148 /IS 2147
3. Type of starter : DOL / Star delta / Soft start saturable reactor
4. Rated voltage of starter : 550 V
5. Rated power 550V FLP - 50HP – 8 nos
6. Contactor category : AC – 3
7. Contactor make : Semen’s / ABB / L & T / Tele mechanics , or any reputed make
8. Type of contactor : Vacuum for 3.3KV&6.6KV & Air break for 550V of suitable rating .
9. Ammeter & Voltmeter : Required (Voltmeter for 3.3 KV & 6.6KV)
10. Auxiliary contact for Earth leakage protection : Required
    No volt protection : Required
    Flow switch : Required
10. Mounting : Floor mounting skid type
11. Clearance between phases : 70 mm for HT 10 mm for LT
12. Clearance between phase to phase : 60 mm for HT 10 mm for LT

7. Following documents shall have to be submitted –

- An attested copy of currently valid DGMS approval for FLP starter
- An attested copy of CPRI test report for type test

Dy Chief Materials Manager(P)
