SECTION – I : INSTRUCTIONS TO BIDDERS

1. SCOPE OF TENDERER
1.1 The Bharat Coking Coal Limited (referred to as Employer in these documents) invites bids for the transportation of magnetite (as defined in these documents and referred to as “the works”) as mentioned in the Notice Inviting Tenders (NIT).
1.2 The successful Bidder will be expected to complete the Works up to the Intended Completion Date specified in the tender document.

2. ELIGIBLE TENDERERS

2.1 The Invitation for Bids is open to all Bidders eligible to participate as per qualifying criteria laid down separately hereinafter.
2.2 All bidders shall provide in their bid Forms of Bid and Qualification Information.
2.3 Joint Venture: Two or three companies/contractors may jointly undertake contract/contracts. Each entity will be jointly responsible for completing the task as per the contract.
2.4 The Company reserves its right to allow Public Enterprises purchase preference facility as admissible under prevailing policy.

3. QUALIFICATION OF THE TENDERER

3.1 In the event that prequalification of potential bidders has been undertaken, only Bids from pre-qualified bidders will be considered for award of Contract. These qualified bidders should submit with their Bids any information updating their original prequalification applications or, alternatively, confirm in their Bids that the originally submitted prequalification information remains essentially correct as of the date of Bid submission. The update or confirmation should be provided in the bid.
3.2 If the employer has not undertaken pre-qualification of potential bidders, all bidders shall include the following information and documents with their bids (copies of all documentary evidences are to be duly authenticated by the tenderers/constituted attorney of the tenderer with full signature and seal. All signed declarations are to be made in the tenderer’s letter head.):
   a. copies of original documents defining the constitution or legal status, place of registration, and principal place of business; written power of attorney of signatory of the Bid to commit the Bidder.
   b. experience of having successfully executed similar works during last seven years.
   c. experience in works of similar nature and size for each of the last seven years, and details of work under way or contractually committed; and the name and address of clients who may be contacted for further information on those contracts;
   d. major items of loading/unloading/transportation equipment proposed to carry out the Contract;
   e. in support of evidence of adequacy of working capital (at least 20% of the annualized value of work) for this Contract, the bidder should submit a certificate of solvency/access to lines of credit and availability of other financial resources. Such certificate shall be dated within three months before the date of tender opening. Latest audited balance sheet or IT return or Banker’s certificate shall also be required in support of evidence of adequacy of working capital.
   f. authority to seek references from the Bidder’s bankers;
g. proposals for subcontracting components of the Works amounting to more than 10 percent of the Contract Price;

j. Permanent Income Tax Account No.(PAN);

k. Two or three companies/contractors participating in the bid as Joint Venture should submit Firm-wise participation details, Banker’s name, execution of work with details of contribution of each and all other relevant details.

Note: The intending tenderer will have to submit a declaration in support of the authenticity of the credential submitted by them alongwith the tender in the form of an affidavit as per the format provided in the bid document.

3.3 To qualify for award of the contract -
   a) The intending tenderer must have in its name as a prime contractor experience of having successfully executed works of similar nature (such as Transportation / Removal of Coal/ Overburden/ Shale / Extraneous materials/ Sand/ etc ) valuing 65% of the annualised value of the work put to tender in any year during last 7(seven) years ending last day of month previous to the one in which bid applications are invited.
   In case the bidder is not a prime contractor but a sub-contractor, the bidders experience as sub-contractor will be taken into account if:
   the contract in support of qualification is a sub-contract in compliance with the provision of such sub-contract in the original contract awarded to prime contractor.

   b) evidence of possessing adequate working capital ( at least 20% of the annualized value of this work ) inclusive of access to lines of credit and availability of other financial resources to meet the requirement.

   c) ownership of a fleet of minimum 1/3rd of the trucks and equipment required for the annualized work.

   Note: Financial turn over and cost of completed works of previous works shall be given a weightage of 5% per year (average annual rate of inflation) to bring them at current price level.)

3.4 Sub contractors experience and resources will not be taken into account in determining the Bidders' compliance with qualifying criteria.

3.5 Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements.

Notes: I) The qualification criteria shown above are to be considered as a standard for normal works.

4. **ONE BID PER BIDDER**

   Each Bidder shall submit only one Bid, either individually, or as a partner in a partnership firm or a partner in a joint venture or a public limited firm. A Bidder who submits or participates in more than one Bid will cause all the proposals with the Bidder's participation to be disqualified.

5. **COST OF BIDDING**

   The Bidder shall bear all costs associated with the preparation and submission of his Bid, and the Employer will in no case be responsible or liable for those costs.

6. **SITE VISIT**

   6.1 The Bidder, at the Bidder's own responsibility, cost and risk, is encouraged to visit and examine the location of all the six washeries viz. Dugda, Bhojudih, Patherdih, Moonidih, Sudamdih & Mohuda and its surroundings and obtain all information that may be necessary for preparing the Bid and entering into a contract for construction of the Works. The costs of visiting the Site shall be at the Bidder's own expense.
6.2 It shall be deemed that the tenderer has visited the site/area and got fully acquainted with the working conditions and other prevalent conditions and fluctuations thereto whether he actually visits the site/area or not and has taken all the factors into account while quoting his rates.

   (i) bid security/earnest money deposit,
   (ii) letter of the bidder submitting the bid in the form as stipulated in 'Contractor's bid' of the bid document and
   (iii) qualification information as indicated in the bid document and Documents as required in accordance with stipulations of the bid document and any other materials required to be completed and submitted by bidder in accordance with these instructions.
   (iv) The original bid document issued to the bidder signed by authorized signatory of the bidder on all pages as proof of accepting the conditions of contract (excluding the price bid).

b. Part II of the bid to be submitted in the 2nd inner sealed envelope comprising of Priced Bill of Quantities.
c. Both the inner sealed envelopes will then be placed in one outer envelope, sealed and marked properly as per Clause 17 and submitted to the Employer at its address before the deadline for submission of the bid as described in Clause 18.

12. **BID PRICES**

12.1 The Bidders shall offer for the whole Works as described in Sub-Clause 1.1, based on the priced Bill of Quantities submitted by the Bidder, however, the Employer reserves the right to allot part of the work at their discretion and no claims, whatsoever, shall be entertained in this regard.

12.2 The Bidder shall fill in rates and prices for all items of the Works described in the Bill of Quantities. Corrections, if any, shall be made by crossing out, initialing, dating and rewriting. **Service Tax will be reimbursed as per rule and production of challan/documentary evidence and the quoted rate shall be exclusive of Service Tax.**

12.3 All duties, taxes, and other levies payable by the Contractor under the Contract, or for any other cause as applicable on the last date of submission of tender, shall be included in the rates, prices and total Bid price submitted by the bidder. All incidentals, overheads, etc as may be attendant upon execution and completion of works shall also be included in the rates, prices and total bid price submitted by the bidder.

However, such duties, taxes, levies etc which is notified after the last date of submission of tender and/or any increase over the rate existing on the last date of submission of tender shall be reimbursed by the company on production of documentary evidence in support of payment actually made to the concerned authorities.

12.4 The rates and prices quoted by the Bidder shall be fixed for the duration of the contract and shall not be subject to variations on any account except to the extent variations allowed as per the conditions of the contract of the bidding document.

13. **CURRENCIES OF BID AND PAYMENT**

The unit rates and prices shall be quoted by the Bidder entirely in Indian Rupees.

14. **BID VALIDITY**

14.1 Bid shall remain valid for a period not less than four calendar months after the deadline for bid submission specified in Clause 18. A bid valid for a shorter period shall be rejected by the Employer.

14.2 In exceptional circumstances, prior to expiry of the original time limit, the Employer may request that the bidders may extend the period of validity for a specified additional period. The request and the bidder's responses shall be made in writing. A bidder may refuse the request without forfeiting his bid security. A bidder agreeing to the request will not be required or permitted to modify his bid but will be required to extend the validity of his bid security for a period of the extension, and in compliance with Clause 15 in all respects.

15. **BID SECURITY/EARNEST MONEY DEPOSIT**

15.1 The bidder shall furnish, as part of his bid, a Bid Security/Earnest Money in the amount as shown in NIT for this particular work. Bid Security/EMD will be required to be deposited in the form of irrevocable Bank Guarantee (from Scheduled Bank/Branch acceptable to the owner) with validity 28 days beyond the validity of the Bid in the format given in the Bid Document. Certified Cheques and Demand Drafts will also be acceptable as Bid Security/ Earnest Money drawn in favour of Bharat Coking Coal Ltd. on any Scheduled Bank payable at its branch at Dhanbad.

15.2 Any Bid not accompanied by an acceptable Bid Security/EMD shall be rejected by the Employer as non-responsive.

15.3 The Bid Security/EMD of the unsuccessful bidder shall become refundable. The unsuccessful bidder for this purpose means the bidder who have not qualified for opening of Part-II (Price Bid) and those who have not emerged as L-1 tenderer after opening of Price Bid.
15.4 The Bid Security/EMD of the successful Bidder will be discharged when the Bidder has signed the Agreement and furnished the required Performance Security/Security Deposit.

15.5 The Bid Security/Earnest Money may be forfeited:
   a. if the Bidder withdraws the Bid after Bid opening during the period of Bid validity; or
   b. in the case of a successful Bidder, if the Bidder fails within the specified time limit to:
      (i) sign the Agreement; or
      (ii) furnish the required Performance Security/Security Deposit.
   c. if the Bidder does not accept the correction of the bid price pursuant to clause 25 of ITB.

15.6 The Bid Security/EMD deposited with the Employer will not carry any interest.

16. FORMAT AND SIGNING OF BID

16.1 The Bidder shall prepare the bidding documents comprising the Bid as described in Clause 11 of these instructions to Bidders.

16.2 All documents of the Bid shall be typed or written in indelible ink and shall be signed by a person or persons duly authorised to sign on behalf of the Bidder, pursuant to Sub-Clauses 3.3(a). All pages of the Bid document shall be initialled by the person or persons signing the Bid.

16.3 The Bid shall contain no alterations, or additions, except those to comply with instructions issued by the Employer, or as necessary to correct errors made by the Bidder, in which case such corrections shall be initialled by the person or persons signing the Bid. Erasing or overwriting in the bid document may disqualify the bidder.

17. SEALING AND MARKING OF BIDS

17.1 The Bidder shall seal the Bid in two inner envelopes and one outer envelope, duly marking the inner envelopes in the following manner:

   1st inner sealed envelope will be marked "Part I - Bid for Transportation of Powder Magnetite from UCIL, Jaduguda Mines to BCCL Washeries for the period 01/06/2009 to 30/11/2010 comprising Bid Security/EMD with qualification information"
   2nd inner sealed envelope will be marked as "Part II - Price Bid for Transportation of Powder Magnetite from UCIL, Jaduguda Mines to BCCL Washeries for the period 01/06/2009 to 30/11/2010."
   Outer Sealed envelope will be marked as "Bidding Documents for Transportation of Powder Magnetite from UCIL, Jaduguda Mines to BCCL Washeries for the period 01/06/2009 to 30/11/2010."

17.2 The inner envelopes placed in outer envelopes shall:
   a. be addressed to the Employer at the following address:
      Chief Engineer(Operation)
      Washery Division, BCCL
      Saraidhella, Dhanbad - 828127.
      and
   b. inner and outer envelopes will bear the following additional identification:
      "Bid for Transportation of Powder Magnetite from UCIL, Jaduguda Mines to BCCL Washeries for the period 01/06/2009 to 30/11/2010."
      Bid Reference No. WD/MAG/TPTN/09-1564 dt.23.01.2009
      DO NOT OPEN BEFORE 15:30 HRS IST on 03.03.2009.

17.3 In addition to the identification required in Sub-Clause 17.2 the inner and outer envelopes shall indicate the name and address of the Bidder.

17.4 If the outer envelope is not sealed and marked as above, the Employer will assume no responsibility for the misplacement or premature opening of the Bid.
18. **DEADLINE FOR SUBMISSION OF BIDS**

18.1 Bids shall be delivered to the Employer at the address specified above no later than 15:00 Hrs on 03.03.2009. In the event of the specified date for the submission of bids being declared a holiday for the Employer, the Bids will be received upto the appointed time on the next working day.

18.2 The Employer may extend the deadline for submission of Bids by issuing an amendment in accordance with Clause 9, in which case all rights and obligations of the Employer and the Bidders previously subject to the original deadline will then be subject to the new deadline.

19. **LATE BIDS**

Any Bid received by the Employer after the deadline prescribed in Clause 18 due to any reason whatsoever will not be accepted.

20. **MODIFICATION AND WITHDRAWAL OF BIDS**

20.1 Bidders may modify or withdraw their Bids by giving notice in writing before the deadline prescribed in Clause 18 in case the bidder has submitted the bid well before the deadline.

20.2 Each Bidder’s modification or withdrawal notice shall be prepared, sealed, marked and delivered in accordance with the provisions of Clause 11, 16, 17 and 18, with the outer and inner envelopes additionally marked "MODIFICATION" or "WITHDRAWAL", as appropriate.

20.3 No Bid may be modified after the deadline for submission of Bids.

20.4 Withdrawal of a Bid between the deadline for submission of Bids and the expiration of the period of Bid validity specified in the Bidding Data or as extended pursuant to Sub-Clause 14.2 may result in the forfeiture of the Bid Security pursuant to Clause 15.

21. **BID OPENING**

21.1 The Employer will open the Part-I of the bids, including modifications made pursuant to Clause 20, in the presence of the bidders' or their representatives who choose to attend at the time and in the place specified in Clause 18. In the event of the specified date of Bid opening being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.

21.2 The Part-II of the bids of the bidders, which are substantially responsive and conforms to the terms and condition, will be opened after evaluation of Part I offer and notified to the Bidders who fulfill the requisite qualifying criteria laid down in the bidding document. In the event of the specified date of Bid opening being declared a holiday for the Employer, the Bids will be opened at the appointed time and location on the next working day.

21.3 Envelopes marked "WITHDRAWAL" shall be opened and read out first. Bids for which an acceptable notice of withdrawal has been submitted pursuant to Clause 20 shall not be opened.

21.4 The Bidders' names, the Bid Prices, the total amount of each Bid and any discounts, Bid modifications and withdrawals, the presence or absence of Bid Security, and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening.

22. **PROCESS TO BE CONFIDENTIAL**

Information relating to the examination, clarification, evaluation and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any effort by a Bidder to influence the Employer's processing of Bids or award decisions may result in the rejection of his Bid.

23. **CLARIFICATION OF BIDS**

To assist in the examination, evaluation, and comparison of Bids, the Employer may, at the Employer's discretion, ask any Bidder for clarification of the Bidder's Bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing.
24. **EXAMINATION OF BIDS AND DETERMINATION OF RESPONSIVENESS**

24.1 Prior to the detailed evaluation of Bids, the Employer will determine whether each Bid:
   a. meets the eligibility criteria defined in Clause 3;
   b. has been properly signed;
   c. is accompanied by the required securities; and
   d. is substantially responsive to the requirements of the Bidding documents.

24.2 A substantially responsive Bid is one which conforms to all the terms, conditions, and specifications of the Bidding documents without material deviation or reservation. A material deviation or reservation is one:
   a. which affects in any substantial way the scope, quality, or performance of the works;
   b. which limits in any substantial way, inconsistent with the Bidding documents, the Employer’s rights or the Bidder’s obligations under the Contract; or
   c. whose rectification would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids.

24.3 If a Bid is not substantially responsive, it may be rejected by the Employer at its sole discretion.

25. **CORRECTION OF ERRORS**

25.1 Bids determined to be substantially responsive will be checked by the Employer for any arithmetical errors. Errors will be corrected by the Employer as follows:
   a. where there is a discrepancy between the amounts in figures and in words, the amounts in words will govern; and
   b. where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.
   c. discrepancy in totaling or carry forward in the amount quoted by the contractor shall be corrected.

   The tendered sum so corrected and altered shall be substituted for the sum originally tendered and considered for acceptance instead of the original sum quoted by the tenderer along with other tender/tenders. Rounding off to the nearest rupee should be done in the final summary of the amount instead of in totals of various sections of the offer.

25.2 The amount stated in the Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, shall be considered as binding upon the Bidder.

26. **EVALUATION AND COMPARISON OF BIDS**

26.1 The Employer will evaluate and compare only the Bids determined to be substantially responsive in accordance with Clause 24.

26.2 In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows:
   a. making any correction for errors pursuant to Clause 25.
   b. making appropriate adjustments to reflect discounts or other price modifications offered in accordance with Clause 20.

26.3 The Employer reserves the right to accept or reject any variation or deviation. Variations, deviations and other factors that are in excess of the requirements of the Bidding documents or otherwise result in unsolicited benefits for the employer shall not be taken into account in Bid evaluation.

26.4 If the Bid of the successful Bidder is seriously unbalanced in relation to the Engineer’s estimate of the cost of work to be performed under the contract, the Employer may require the Bidder to produce detailed price analyses for any or all items of the Bill of Quantities, to demonstrate the internal consistency of those prices with the methods and schedule proposed.
27. **AWARD CRITERIA**

Subject to Clause 28, the Employer will award the Contract to the Bidder whose Bid has been determined to be substantially responsive to the Bidding documents and who has offered the lowest evaluated Bid Price, provided that such Bidder has been determined to be:

a. eligible in accordance with the provisions of Clause 2; and
b. qualified in accordance with the provisions of Clause 3.

28. **EMPLOYER'S RIGHT TO ACCEPT ANY BID, NEGOTIATE AND TO REJECT ANY OR ALL BIDS**

Notwithstanding Clause 27, the Employer reserves the right to accept, negotiate or reject any Bid, and to cancel the bidding process and reject all Bids, at any time prior to the award of Contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the Employer's action.

29. **NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT**

29.1 The Bidder, whose Bid has been accepted, will be notified of the award by the Employer prior to expiration of the Bid validity period by cable, telex, or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") will state the sum that the Employer will pay the Contractor in consideration of the execution and completion of the Works by the Contractor as prescribed by the Contract (hereinafter and in the Contract called "the Contract Price").

29.2 The notification of award will constitute the formation of the Contract, subject only to the furnishing of a Performance Security/Security Deposit in accordance with Clause 30.

29.3 The Agreement will incorporate all agreements between the Employer and the successful Bidder within 28 days following the notification of award along with the letter of Acceptance.

30. **PERFORMANCE SECURITY/SECURITY DEPOSIT**

1. **DEFINITIONS:**
i. The word “Company” or “Employer” or “Owner” wherever occurs in the conditions, means the Bharat Coking Coal Limited, represented at the headquarters of the Company by the Chairman Cum Managing Director or his authorised representative or any other officer specially deputed for the purpose.

ii. The word “Principal Employer” wherever occurs, means the authorised representative or any other officer specially deputed by the Company for the purpose.

iii. The word “contractor”/“contractors” wherever occurs means the successful Bidder/Bidders who has/have deposited the necessary Earnest Money and has/have been given written intimation about the acceptance of tender and shall include legal representative of such individual or persons composing a firm or a company or the successors and permitted assignees of such individual, firm or company, as the case may be.

iv. “The Site” shall mean the site of the contract work including land and any building and erections thereon and any other land allotted by the company for contractor’s use.

v. ‘Accepting authority’ shall mean the management of the company and includes an authorised representative of the company or any other person or body of persons empowered in this behalf by the company.

vi. A ‘Day’ shall mean a day of 24 hours from midnight to midnight.

vii. Engineer-in-charge/Designated Officer-in-charge who is of an appropriate seniority will be responsible for supervising and administering the contract, certifying payment due to the contractor, valuing variations to the contract, awarding extension of time and valuing compensation events. Engineer-in-charge/Designated Officer-in-charge may further appoint his representatives i.e. another person/Project Manager or any other competent person and notify to the contractor who is directly responsible for supervising the work being executed at the site, on his behalf under the Delegation of Powers of the company. However, overall responsibility, as far as the contract is concerned will be that of the Engineer-in-charge/Designated Officer-in-charge.

viii. The ‘contract’ shall mean the notice inviting tender, the tender as accepted by the company and the formal agreement executed between the company and the contractor together with the documents referred to therein including general terms and conditions, special conditions, if any, schedule of quantities with rates and amounts, Schedule of work.

ix. The ‘works’ shall mean the works required to be executed in accordance with the contract or parts thereof as the case may be and shall include all extra or additional or any work of emergent nature, which in the opinion of the Engineer-in-charge, become necessary during the progress of the works to obviate any risk or accident or failure or become necessary for security.

x. ‘Schedule of Rates’ referred to in these conditions shall mean the standard schedule of rates prescribed by the company and the amendments issued from time to time.

xi. ‘Contract price’ shall mean

xii. (a) in the case of lump sum contracts the total sum for which tender is accepted by the company.

(b) in the case of other types of contracts the total sum arrived at based on the individual rates quoted by the tenderer for the various items shown in the ‘Bill of quantities’ of the tender documents as accepted by the company with or without any alteration as the case may be.

xiii. ‘Written notice’ shall mean a notice or communication in writing and shall be deemed to have been duly served if delivered in person to the individual or to a member of the firm or to an office of the Corporation/Company for whom it is intended, or if delivered at or sent by registered mail to the last business address known to him who gives the notice.

2. **CONTRACT DOCUMENTS:**
The following documents shall constitute the contract documents :

(i) Articles of Agreement,

(ii) Notice Inviting Tender,
(iii) Letter of Acceptance of Tender indicating deviations, if any, from the conditions of contract incorporated in the Bid/Tender document issued to the bidder,
(iv) Conditions of contract, including general terms and conditions, additional terms and conditions, special conditions, if any etc. forming part of the Agreement,
(v) Scope of works/Bills of quantities and
(vi) Finalised work programme.

2.1 After acceptance of tender and on execution of contract/issue of work order to proceed with the work, as the case may be, the contractor shall be furnished, free of charge, two copies of contract documents. (certified true copies), excepting those drawings to be supplied during the progress of work. The contractor shall keep copy of these documents on the site/place of work in proper manner so that these are available for inspection at all reasonable times by the Engineer-in-charge, his representatives or any other officials authorised by the company for the purpose.

2.2 None of these documents shall be used by the contractor for any purpose other than this contract and the contractor shall ensure that all persons employed for this contract strictly adhere to this and maintain secrecy, as required of such documents.

3. DISCREPANCIES AND ADJUSTMENTS THEREOF:

The documents forming part of the contract are to be treated as mutually explanatory of one another.

3.1 In the event of varying or conflicting provisions made in any of the document/documents forming part of the contract, the ‘Accepting Authority’s decision/clarification shall hold good with regard to the intention of the document or contract, as the case may be.

3.2 Any error in description, quantity or rate in schedule or quantities or any omission there from, shall not vitiate the contract or release the contractor from discharging his obligations under the contract including execution of work according to the specifications forming part of the particular contract document.

3.3 Any difference detected in the tender/tenders submitted, resulting from:

a. discrepancy between description in words and figures the rate which corresponds to the words quoted by the contractor shall be taken as correct.
b. discrepancy in the amount quoted by the contractor due to calculation mistake of the unit rate and quantity, the unit rate shall be regarded as firm and amount corrected.
c. discrepancy in totaling or carry forwards in the amount quoted by the contractor shall be corrected.

The tendered sum so corrected and altered shall be substituted for the sum originally tendered and considered for acceptance instead of the original sum quoted by the tenderer along with other tender/tenders. Rounding off to the nearest rupee should be done in the final summary of the amount instead of in totals of various sections of schedule of quantities.

4. SECURITY DEPOSIT:

4.1 Security Deposit shall consist of two parts;
   a) Performance Security to be submitted at award of work and
   b) Retention Money to be recovered from running bills.

The security deposit shall bear no interest.

4.2 Performance Security should be 5% of contract amount and should be submitted within 28 days of receipt of LOA by the successful bidders in any of the form given below:
   - a Bank Guarantee in the form given in the bid document
   - Govt. Securities, FDR or any other form of deposit stipulated by the owner
   - Demand Draft drawn in favour of Bharat Coking Coal Ltd on any Scheduled Bank payable at its Branch at Dhanbad.

The bid security deposited in the form of Bank Guarantee shall be duly discharged and returned to the contractor. The bid security deposited in the form of Demand draft shall be adjusted against the security deposit.

4.3 If performance security is provided by the successful bidders in the form of bank guarantee it shall be issued either –
   (a) at Bidder’s option by a nationalized/Scheduled Indian Bank or
(b) by a foreign bank located in India and acceptable to the employer.
(c) the validity of the Bank Guarantee shall be for a period of one year or ninety days beyond
the period of contract, whichever is more.

Failure of the successful bidder to comply with the requirement as above shall constitute
sufficient ground for cancellation of the award of work and forfeiture of the bid security.

4.4 Retention Money should be deducted at 5% from running bills. Total of performance
security and Retention Money should not exceed 10% of contract amount or lesser sum
indicated in the bid document.

4.5 5% Performance Security should be refunded within 60 days of the completion of the work.
(The date of completion of work will be certified by the Engineer-in-Charge).

4.6 Refund of security deposit - The refund of security deposit shall be subject to company's
right to deduct/appropriate its dues against the contractor under this contract or under any other
contract. On completion of the entire work and certified as such by the Engineer-in-charge, the
security deposit remaining with the company shall be refunded. However, for contracts of more
than 1(one) year period, Security Deposit accrued by paying the running bill at 95%, may be
refunded annually on submission of Bank Guarantee of equivalent amount subject to
satisfactory performance of the contractor.

5.  DEVIATIONS/VARIATIONS IN QUANTITIES:

Extent and Pricing: The quantities given in the 'Schedule of Quantities' are provisional and
are meant to indicate the extent of the work and to provide a uniform basis for tendering and
any variation either by addition or omission shall not vitiate the contract.

5.1 The company through its Engineer-in-charge or his representative shall, without radically
changing the original scope and nature of the contracted work, have power to make any
alterations in or additions to or substitution of the original and instructions that may appear to be
necessary or advisable during the progress of the work. The contractor shall be bound to carry
out the works in accordance with the instructions given to him in writing by Engineer-in-Charge
or his representative on behalf of the company.

Such altered or additional work, which shall form part of the original contract, shall be carried
out by the contractor on the same conditions in all respects on which they agree to do the main
works and at the same rate/rates as are specified in the contract.

5.2 If the additional or altered work includes any class of work for which no rate/rates is/are
specified in the contract, rates for such items shall be determined by the Engineer-in-Charge as
follows:

a. the rate shall be derived from the rate/rates for similar or near similar class of work as is/are
specified in the contract/tender, failing which

b. the rates shall be derived from the company's prescribed schedule of rates based on which
the estimate for tendering has been prepared plus or minus the percentage by which the
tendered amount for the whole work quoted by the contractor is above or below the estimated
amount as per the tender documents, failing which

c. the rate shall be derived from contractor's rate claimed for such class of work supported by
analysis of the rate/rates claimed by the contractor. The rate to be determined by the Engineer-
in-charge as may be considered reasonable taking into account percentage of profit and
overhead not exceeding ten percent or on the basis of market rates, if any, prevailing at the
time when work was done.

In the case of composite tenders, where two or more schedule of quantities for similar item
description may form part of the contract, the applicable rate shall be taken from the schedule of
quantities of that particular part in which the deviation is involved, failing that at the lowest
applicable rate for the similar item of work in the other schedule of quantities.

However, the Engineer-in-charge shall be at liberty to cancel the instruction by notice in
writing and to arrange to carry out the work in such manner as he /she considers advisable
under the circumstances. The contractor shall under no circumstances suspend the work on the
plea of non-settlement of rates.

5.3 Alterations in the quantities shall not be considered as a change in the conditions of the
contract nor invalidate any of the provision thereof provided that a supplementary work order or
agreement for the item/items involved will be necessary when the alterations involved one or
more of the followings:
i) An increase of more than 10% of the total cost of the work calculated from the original tendered quantities and the contract price.

ii) More than 10% deviation from original awarded value should require approval of next higher authority but total amount should be within the delegated power of the next higher authority.

5.4 The time for completion of the originally contracted work shall be extended by the company in the proportion that the additional work (in value) bears to the original contracted work (in value) as may be assessed and certified by the Engineer-in-charge.

5.5 The company through its Engineer-in-charge or his representative, on behalf of the company, shall have power to omit any part of the work for any reason and the contractor shall be bound to carry out the work in accordance with the instruction given by the Engineer-in-charge. No claim for extra charges/damages shall be made by the contractor on these grounds.

5.6 In the event of any deviation being ordered which in the opinion of the contractor changes radically the original scope and nature of the contract, the contractor shall under no circumstances suspend the work, either original or altered or substituted, and the dispute/disagreement as to the nature of deviation or the rate/rates to be paid therefor shall be resolved separately with the company.

5.7 The re-appropriation / reallocation of the quantities may be done with the approval of the Engineer-in-Charge within the stipulated contract and contract value with the approval of the approving authority of the contract. In case the approving authority is Board, then with the approval of the CMD.

6. TIME FOR COMPLETION OF CONTRACT - EXTENSION THEREOF, DEFAULTS & COMPENSATION FOR DELAY:

Immediately after the contract is concluded the Engineer-in-charge and the contractor shall agree upon time and progress chart prepared on the basis of a transportation schedule to be submitted by the contractor showing the order in which the work is proposed to be carried out within the time specified in the contract documents. For the purpose of this time and progress chart, the work shall be deemed to have commenced on the expiry of 10 (ten) days from the issue of letter of acceptance/work order or handing over the site of work, whichever is later.

6.1 If the contractor, without reasonable cause of valid reason, commits default in commencing the execution of the work within the aforesaid date, the company shall, without prejudice to any other right or remedy, be at liberty, by giving 15 days notice in writing to the contractor to commence the work, failing which to forfeit the Earnest Money deposited by him.

6.2 In the event of the contractor’s failure to comply with the required progress in terms of the agreed time and progress chart or to complete the work and clear the site on or before the date of completion of contract or extended date of completion, he shall without prejudice to any other right or remedy available under the law to the company on account of such breach, shall become liable to pay for penalty as under:

If the monthly quantity of magnetite transported is less than the stipulated rate, penalty as detailed below will be levied.

i) If the monthly quantity of magnetite transported is more than 80% and less than 100% of stipulated rate, penalty equal to 10% of the contract value of the short fall in work shall be levied.

ii) If the monthly quantity of magnetite transported is less than 80% of stipulated rate, penalty equal to 20% of contract value of the short fall in work shall be levied.

iii) The aggregate of the penalties so levied shall not exceed 10% of the total contract value. Penalties will be calculated every month and withheld. The contractor shall be allowed to makeup the shortfall in the succeeding three month within the stipulated time of completion once the shortfall is fully made up, the so withheld penalty will be released.

6.3 The company may waive the payment of compensation, depending upon merit of the case, on request received from the contractor if the entire work is completed within the date as specified in the contract or as validly extended without stipulating any penalty.

6.4 Extension of date of completion - on happening of any events causing delay as stated here under, the contractor shall intimate immediately in writing the Engineer-in-charge:

a. abnormally bad weather
b. serious loss or damage by fire
c. civil commotion, strikes or lockouts affecting any of the trades employed on the work
d. delay on the part of the contractors or tradesmen engaged by the company not forming part of the contract, holding up further progress of the work

e. any other causes which, at the sole discretion of the company is beyond the control of the contractor.

A "Hindrance Register" shall be maintained by both the Company and the Contractor at site to record the various hindrances, as mentioned above, encountered during the course of execution.

The contractor may request the company in writing for extension of time within 14 days of happening of such event causing delay stating also, if practicable, the period for which extension is desired. The company may, considering the eligibility of the request, give a fair and reasonable extension of time for completion of the work. Such extension shall be communicated to the contractor in writing by the company through the Engineer-in-charge within 1 month of the date of receipt of such request.

The contractor shall however use his best efforts to prevent or make good the delay by putting his endeavors constantly as may be reasonably required of him to the satisfaction of the Engineer-in-charge.

6.5 Provisional extension of time may also be granted by the Engineer in Charge during the course of execution, on written request for extension of time within 15 (fifteen) days of happening of such events as stated above, reserving the company's right to impose/ waive penalty at the time of granting final extension of time as per contract agreement.

6.6 When the period fixed for the completion of the contract is about to expire, the question of extension of the contract may be considered at the instance of the Contractor or the Company or the both. The extension will have to be by party's agreement, expressed or implied.

In case the Contractor does not apply for grant of extension of time within 15 (fifteen) days of hindrance occurring in execution of the work and the Company wants to continue with the work beyond the stipulated date of completion for reason of the work having been hindered, the Engineer-in-charge at his sole discretion can grant provisional extension of time even in the absence of application from the Contractor. Such extension of time granted by the Engineer-in-charge is valid provided the Contractor accepts the same either expressly or implied by his actions before and subsequent to the date of completion. Such extension of time shall be without prejudice to Company's right to levy compensation under the relevant clause of contract.

6.7 (a) The successful bidder/ contractor will advise, in the event of his having resort to this clause by a registered letter duly certified by the local chamber of commerce or statutory authorities, the beginning and end of the clause of delay, within fifteen days of the occurrence and cessation of such Force Majeure condition. In the event of delay lasting over one month, if arising out of Force Majeure, the contract may be terminated at the discretion of the company.

(b) For delays arising out of Force Majeure, the bidder/ contractor will not claim extension in completion date for a period exceeding the period of delay attributable to the causes of Force Majeure and neither company nor the bidder shall be liable to pay extra costs (like increase in rates, remobilisation advance, idle charges for labour and machinery etc.) Provided it is mutually established that the Force Majeure conditions did actually exist.

(c) If any of the Force Majeure conditions exists in the place of operation of the bidder/ contractor even at the time of submission of bid he will categorically specify them in his bid and state whether they have been taken into consideration in their quotations.

7. QUALITY ASSURANCE:

The contractor shall carry out and complete the work in every respect in accordance with the contract and shall ensure that the work conforms strictly to the instructions of the Engineer-in-charge. The Engineer-in-charge may issue from time to time further detail instructions/directions in writing to the contractor. All such instructions/directions shall be consistent with the contract documents and should be reasonably inferable therefrom, along with clarifications/explanations thereof, if necessary.
8. MEASUREMENT AND PAYMENT:

Except where any general or detailed description of the work in quantities provides otherwise, measurements of work done shall be taken in accordance with the relevant standard method of measurement as applicable to the schedule of quantities/schedule of work/specification to the contract. In the case of items not covered by any of the aforesaid contract documents, measurement shall be taken in accordance with the relevant standard method of measurement issued by the Indian Standard Institution.

8.1 All items of work carried out by the contractor in accordance with the provisions of the contract having a financial value shall be entered in the Measurement Book/Log Book, etc. as prescribed by the company so that a complete record is obtained of all work performed under the contract and the value of the work carried out can be ascertained and determined therefrom.

8.2 Measurements shall be taken jointly by the Engineer-in-charge or his authorised representative and by the contractor or his authorised representative.

8.3 Before taking measurements of any work, the Engineer-in-charge or the person deputed by him for the purpose shall intimate the contractor to attend or to send his representative to attend the measurement. Every measurement thus taken shall be signed and dated by both the parties on the site on completion of the measurement. If the contractor objects to any of measurements, a note to that effect shall be made in the Measurement Book /Log Book and signed and dated by both the parties.

8.4 In the event of failure on the part of contractor to attend or to send his authorised representative to attend the measurement after receiving the intimation, or to countersign or to record objection within a week from the date of the measurement, the measurement taken by the Engineer-in-charge or by his authorised representative shall be taken to be the correct measurement of the work done.

8.5 Payment on Account - The contractor shall submit interim bill/bills for the work carried out/materials provided in accordance with the contract. The Engineer-in-charge shall then arrange for verification of the bill/bills with reference to the measurements taken or to be taken or any other records relevant for the purpose.

8.6 Payment on account shall be made on the Engineer-in-charge certifying the sum to which the contractor is entitled by way of interim payment for the work executed as covered by the bill/bills after deducting the amount already paid, the security deposit and such other amounts as may be deductible or recoverable in terms of the contract.

8.7 Any certificate given by the Engineer-in-charge for the purpose of payment of interim bill/bills shall not of itself be conclusive evidence that any work/materials to which it relates is/are in accordance with the contract and may be modified or corrected by the Engineer-in-charge by any subsequent certificate or by the final certificate.

8.8 The company reserve the right to recover/enforce recovery of any overpayments detected after payment as a result of post-payment audit or technical examination or by any other means, notwithstanding the fact that the amount of disputed claims, if any, of the contractor exceeds the amount of such overpayment and irrespective of the facts whether such disputed claims of the contractor are the subject matter of arbitration or not. The amount of such overpayments may be recovered from the subsequent bills under the contract, failing that from contractor's claim under any other contract with the company or from the contractor's security deposit or the contractor shall pay the amount of overpayment on demand.

8.9 Amount payable/repayable for any subsequent change in the Sales Tax on Works Contract will be made to/from the Contractors after departmental verification of such changes of tax law issued by Statutory authority.

9. TERMINATION, SUSPENSION, CANCELLATION & FORECLOSURE OF CONTRACT:

The company shall, in addition to other remedial steps to be taken as provided in the conditions of contract, be entitled to cancel the contract in full or in part, if the contractor makes default in proceeding with the works with due diligence and continues to do so even after a notice in writing from the Engineer-in-charge, then on the expiry of the period as specified in the notice.

Or
b. commits default/breach in complying with any of the terms and conditions of the contract and does not remedy it or fails to take effective steps for the remedy to the satisfaction of the Engineer-in-charge, then on the expiry of the period as may be specified by the Engineer-in-charge in a notice in writing

Or

c. fails to complete the work or items of work with individual dates of completion, on or before the date/dates of completion or as extended by the company, then on the expiry of the period as may be specified by the Engineer-in-charge in a notice in writing

Or

d. shall offer or give or agree to give any person in the service of the company or to any other person on his behalf any gift or consideration of any kind as an inducement or reward for act/acts of favour in relation to the obtaining or execution of this or any other contract for the company

Or

e. obtains a contract with the company as a result of ring tendering or other non-bonafide method of competitive tendering

Or

f. transfers, sublets, assigns the entire work or any portion thereof without the prior approval in writing from the Engineer-in-charge. The Engineer-in-charge may be giving a written notice, cancel the whole contract or portion of it in default.

9.1 The contract shall stand terminated under the following circumstances:

a. If the contractor being an individual in the case of proprietary concern or in the case of a partnership firm any of its partners is declared insolvent under the provisions of insolvency act for the time being in force, or makes any conveyance or assignment of his effects or composition or arrangement for the benefit of his creditors amounting to proceedings for liquidation or composition under any insolvency act

b. In the case of the contractor being a company, its affairs are under liquidation either by a resolution passed by the company or by an order of court, not being a voluntary liquidation proceedings for the purpose of amalgamation or reorganisation, or a receiver or manager is appointed by the court on the application by the debenture holders of the company, if any.

c. If the contractor shall suffer an execution being levied on his/their goods, estates and allow it to be continued for a period of 21 days.

d. On the death of the contractor being a proprietary concern or of any of the partners in the case of a partnership concern and the company is not satisfied that the legal representative of the deceased proprietor or the other surviving partners of the partnership concern are capable of carrying out and completing the contract. The decision of the company in this respect shall be final and binding which is to be intimated in writing to legal representative or to the partnership concern.

9.2 On cancellation of the contract or on termination of the contractor, the Engineer-in-charge shall have powers:

a. to carry out the incomplete work by any means at the risk of the contractor

b. to determine the amount to be recovered from the contractor for completing the remaining work or in the event the remaining work is not to be completed the loss/damage suffered, if any, by the company after giving credit for the value of the work executed by the contractor upto the time of cancellation less on a/c payments made till date and value of contractor's materials, plant, equipment, etc., taken possession of after cancellation.

c. to recover the amount determined as above, if any, from any moneys due to the contractor or any account or under any other contract and in the event of any shortfall, the contractor shall be called upon to pay the same on demand.

The need for determination of the amount of recovery of any extra cost/expenditure or of any loss/damage suffered by the company shall not however arise in the case of termination of the contract for death/demise of the contractor as stated in 9.1(d).
9.3 Suspension of work - The company shall have power to suspend the progress of the work any part thereof and the Engineer-in-charge may direct the contractor in writing to suspend the work, for such period and in such manner as may be specified therein, on account of any default on the part of the contractor, or for proper execution of the work for reasons other than any default on the part of the contractor, or on ground of safety of the work or part thereof. In the event of suspension for reason other than any default on the part of the contractor, extension of time shall be allowed by the company equal to the period of such suspension.

The work shall, throughout the stipulated period of contract, be carried out with all due diligence on the part of the contractor. In the event of termination or suspension of the contract, on account of default on the part of the contractor, as narrated hereinbefore, the security deposit and other dues of this work or any other work done under this company shall be forfeited and brought under the absolute disposal of the company provided, that the amount so forfeited shall not exceed 10% of the contract value.

9.4 Foreclosure of contract in full or in part - If at any time after acceptance of the tender, the company decides to abandon or reduce the scope of the work for any reason whatsoever the company, through its Engineer-in-charge, shall give notice in writing to that effect to the contractor. In the event of abandonment/reduction in the scope of work, the company shall be liable to pay the contractor at the contract rates full amount for transportation works executed and measured at site upto the date of such abandonment/reduction in the work.

The contractor shall, if required by the Engineer-in-charge, furnish to him books of accounts, papers, relevant documents as may be necessary to enable the Engineer-in-charge to assess the amount payable. The contractor shall not have any claim for compensation whatsoever either for abandonment or for reduction in the scope of work, other than those as specified above.

10. COMPLETION CERTIFICATE:

On completion of the work and notifying the same by the contractor to the Engineer-in-Charge, Completion Certificate shall be issued by the Engineer-in-charge only in the event the work is completed satisfactorily in every respect. Payment of final bill shall be made on completion of the contract and refund of security deposit shall, however, be made as per relevant clause of the contract.

11. RESPONSIBILITIES OF THE CONTRACTOR

iii. Precautions shall be exercised at all times for the protection of persons (including employees) and property. The safety required or recommendation by all applicable laws, codes, statutes and regulations will be observed. In case of accidents, he/they shall be responsible for compliance with all the requirements imposed by the Workmen's Compensation Act or any other similar laws in force, and shall indemnify the company against any claim on this account.

The contractor/contractors shall at all times exercise reasonable precautions for the safety of employees in the performance of his/their contract and shall comply with all applicable provisions of the safety laws drawn up by the State or Central Government or Municipalities and other authorities in India. The contractor/contractors shall comply with the provision of the safety hand book as approved and amended from time to time by the Government of India.

iv. The contractor/contractors shall familiarise themselves with and be governed by all laws and rules of India and Local statutes and orders and regulations applicable to his/their work.

v. Building for the sanitary necessities of all persons employed on the work shall be constructed and maintained in the number, manner and place approved or ordered by the Engineer-in-charge. The contractor shall vigorously prohibit committing of nuisance at any other place. Cost of all works under these items shall be covered by the contractor’s/contractors’ tendered rates.
vi. The contractor/contractors shall furnish to the Engineer-in-charge or his authorised representative with work reports from time to time regarding the contractor/contractors organisation and the progress made by him/them in the execution of the work as per the contract agreement.

vii. All duties, taxes and other levies payable by the contractor under the contract or any other cause as applicable on the last date of submission of the tender shall be included in the rates, prices and total bid price submitted by the bidder. All incidentals, overheads etc as may be attended upon execution and completion of work shall be included in the rates, prices and total bid price submitted by the bidder.

However, such duties, taxes, levies etc which is notified after the last date of submission of tender and / or any increase over the rate existing on the last date of submission of the tender shall be reimbursed by the company on production of documentary evidence in support of payment actually made to the concerned authorities.

viii. The company reserves the right to deduct/ withhold any amount towards taxes, levies, etc. and to deal with such amount in terms of the provisions of the Statute or in terms of the direction of any statutory authority and the company shall only provide with certificate towards such deduction and shall not be responsible for any reason whatsoever.

ix. The contractor/contractors shall make his/their own arrangement for all materials, tools, staff and labourer required for the contract, which shall include cost of lead, lift, loading, unloading, railway freight, recruiting expenses and any other charges for the completion of the work to the entire satisfaction of the company.

x. The work shall not be sublet to any other party, unless approved by Engineer-in-charge, in writing.

xi. The contractor/contractors shall not pay less than the minimum wages to the labourers engaged by him/them as per Minimum Wages Act or such other legislation or award or the minimum wages fixed by the respective State Government as may be in force. The Contractor/Contractors shall make necessary payment of the Provident Fund for the workmen employed by him for the work as per the laws prevailing under provisions of CMPF and Allied Schemes and Miscellaneous Provisions Act 1948 or Employees Provident Fund and Miscellaneous Provisions Act 1952 as the case may be.

xii. All accounts shall be maintained in English and the company shall have the right of access and inspection of all such books of accounts etc. relating to payment of labourer considered necessary and the company may arrange for witnessing the payment to the labourer by its representatives.

xiii. Insurance - The contractor shall take full responsibility to take all precautions to prevent loss or damage to the works or part thereof for any reasons whatsoever (except for reasons which are beyond control of the contractor or act of God, e.g. flood, riots, war, earthquake, etc.) and shall at his own cost repair and make good the loss/damage to the work so that on completion, the work shall be in good order and condition and in conformity with the requirements of the contract and instructions of the Engineer-in-charge, if any:

a. The contractor shall at all times during the pendency of the contract indemnify the company against all claims, damages or compensation under the provisions of the Workmen's Compensation Act and shall take insurance policy covering all risk, claims, damages or compensation payable under the Workmen's Compensation Act or under any other law relating thereto.

b. The contractor shall ensure that the insurance policy/policies are kept alive till full expiry of the contract by timely payment of premiums and shall not be cancelled without the approval of the company and a provision is made to this effect in all the policies, and similar insurance policies are also taken by his sub-contractors if any. The cost of premiums shall be borne by the contractor and it shall be deemed to have been included in the tendered rate.

c. In the event of contractor's failure to effect or to keep in force the insurance referred to above or any other insurance which the contractor is required to effect under the terms of the contract, the company may effect and keep in force any such insurance and pay such premium/premiums as may be necessary for that purpose from time to time and recover the amount thus paid from any moneys due by the contractor.
12. **SETTLEMENT OF DISPUTES**

   It is incumbent upon the contractor to avoid litigation and disputes during the course of execution. However, if such disputes take place between the contractor and the department, effort shall be made first to settle the disputes at the company level.

   The contractor should make request in writing to the Engineer-in-charge for settlement of such disputes/claims within 30 (thirty) days of arising of the cause of dispute/claim failing which no disputes/claims of the contractor shall be entertained by the company.

   If differences still persist, the settlement of the dispute with Govt. Agencies shall be dealt with as per the Guidelines issued by the Ministry of Finance, Govt. of India in this regard. In case of parties other than Govt. Agencies, the redresal of the dispute may be sought in the Court of Law.

The contractor shall ensure prompt/ immediate compliance of the same.
3.03 The contractor shall at his own cost, arrange for regular checking/ maintenance/ repair of the trucks and keep them in good and safe conditions at all times.
   Proper records of such checking/ maintenance/ repair shall be maintained in a Log Book kept on the vehicle for the purpose, which shall be readily available for inspection whenever required.
3.04 Only experienced, skilled and disciplined drivers of sound health, good behavior and antecedents having valid and requisite driving licence shall be deployed by the contractor for driving the trucks deployed for the work.
   In no case any un-authorised driving of the trucks shall be permitted by the contractor.
3.05 The tare-weight, gross weight, maximum carrying capacity of the truck and the dimensions of the body of the truck shall be clearly indicated on the body of each tipping trucks deployed for the work and maintained in good legible condition, at all times.
3.06 No addition or alteration to the size of the body or any such truck shall be carried out, without prior approval of the Project Officer/ General Manager.
   The trucks shall be loaded only upto the maximum carrying capacity and shall not be overloaded under any circumstances.
3.07 The re-allocation / re-appropriation of the quantity may be done with the approval of the Engineer-in-Charge within the stipulated contract period and contract value with the approval of the approving authority. In case the approving authority is Board, then with the approval of CMD of the company.

4.00 The contractor shall bring/ take back and arrange for the transportation of the trucks / men and materials required for the work at his own cost.

5.00 Contractor's trucks should ply only on specified routes/ roads. In case, plying of the trucks on any other route/ road become necessary, due to any reason, prior approval for the same shall be taken by the contractor from the Project Officer/ General Manager. In case of violation of this provision penalty may be imposed on the contractor and/ or the contract terminated.

6.00 The work shall be executed round the clock on all the days of week as directed by the Project Officer/ General Manager and the contractor shall be obliged to comply with the same.
7.00 The contractor shall not have any claim whatsoever for the idleness of his trucks/employees for want of magnetite or lack of space available at the unloading site or any dislocation en-route and/or for any other reason.

8.01 The contractor shall at his own cost arrange for all materials, stores, spares, tools, tackles etc. and maintenance/repairs of the trucks required/deployed for the work. The company shall have no liability whatsoever on this account.

8.02 In emergent situations and provided the contractor makes an application in this regard, POL, if available with the company, may at the sole discretion of the company, be issued to him with the approval of the General Manager but value of the same along with the handling/departmental charges as per the then prevailing rules of the company shall be charged from him or recovered from his bills/security deposit.

20.02 The contractor shall make payment to his employees at the place(s) specified by the General Manager/Project Officer and in the presence of Company's representative authorised by General Manager/Project Officer who shall duly witness all payments by the contractor to his employees. For this purpose the contractor shall notify to the General Manager/Project Officer the wage period(s) day/date and time of payment.

20.03 The contractor shall prepare the wages sheet for his employees in duplicate, a copy of which shall be regularly submitted to the Project Officer.

21.01 The contractor shall make timely payment of all salary/wages/dues to his employees and shall also provide all benefits to his employees as per various Acts/Rules, Regulations, Orders applicable to the work e.g. bonus under Coal Mines Bonus Scheme and Payment of Bonus Act. Sunday Wages, Overtime, Holiday Wages, Leave Wages, Sick Leave etc.

21.02 The contractor shall also comply with the provisions of the Coal Mines Provident Fund Scheme and regularly deposit the contributions in accordance with the same. The Company shall have no liability whatsoever in this regard.

22.00 The responsibility of the contractor in respect of all payments to his employees will be complete and absolute. The Company shall have no liability whatsoever in this regard and shall be fully indemnified by the Contractor against any claim arising out of any non-payment/short-payment/dispute/award.

23.00 The contractor shall arrange for the training of his employees in accordance with the Mines Vocational Training Rules, 1966 as amended from time to time, at his own cost.

24.00 In case any accident occurs or any injury is caused to any employee of the Company by the vehicles/equipments of the contractors or by any act of omission/commission on the part of the contractor's representative/employees, the compensation for the same, as provided in law or as assessed by the company shall be recovered from the contractor along with the costs and expenses incurred by the company on the same.
25.00 The contractor shall provide foot-wears, helmets and other protective equipments, to his employees as provided in the law, at his own cost. In case of failure on the part of the contractor to provide these Protective equipments, the company may provide the same to the employees at the cost of the contractor.

26.00 **PAYMENT OF PRICE VARIATION:** If the prices of Diesel increases or decreases, the contractor shall be compensated for such increase or recoveries shall be made from the dues of the contractor for such decrease as per provisions detailed below and the amount of the contract shall accordingly be varied, subject to the condition that such compensation for variation in prices shall be available only for the work done during the stipulated period of the contract including such period for which the contract is validly extended under the provisions of the contract without any penal action. If the contract is to be extended beyond the stipulated period for completion of the work due to fault on the part of the contractor, escalation on prices should not be allowed further if not provided otherwise in the accepted contract.

The compensation for price variation in the price of diesel only will be paid/recovered as per escalation formula provided in the Special Terms & Conditions. Such compensation for variation in the prices when due shall be worked out based on the following provisions:

26.01 The base date for working out such price variation shall be the last date on which tenders (price bids or revised price bids) were stipulated to be received.

26.02 The contractor shall submit certified copy of price of Diesel from retail outlet of IOC/BP etc. nearest to the worksite, as the case may be.

**26.03 Price Variation on Diesel**

I = \(\frac{D \times R}{d \times c}\)

Where

I = Increase or decrease in Rate of transportation/MT applicable with effect from the date of change in price of diesel.

D = Average one way distance of Transportation in KM (200 KM)

R = Variation in price of diesel from base price.

d = Km/Ltr of diesel consumption considered @ 3.5 Km/Ltr.

c = Carrying capacity of truck considered @ 10 (Ten) tonnes.
