This certificate will have to be produced before the final payment made security released.

1) On account of manufacture briks or collection of minor minerals in area ( both virgin and non virgin ) , acquires by the Company under the Coal Act the contractor will have to produce a royalty clearance certificate from the District Authorised befor full and final payment.

2) In case the company land is used for manufacture of bricks or extraction of gravels etc the contractor will have to pay compensation to the company ( apart from the liability of the contractor to make the payment of royalty etc. to the State Govt. ) at the same rates of royalty fixed by the State Govt. or an appropriate deduction may be made in rate to be paid to the contractors.

ix) The contractor / contractors shall make his thier owa arrangement for all materials tools staff and labour required for the contract which shall include cost cost of lead lift loading, unloading, railway freight recruiting expenses and any other charge for the completion of the work to the entire satisfaction of company.

x) The contractor / contractors shall make their own arrangements for carriage of all materials to the work-site at his/their own cost and supply of all water required for the contacted work and drinking water to his / their workmen

xi) The work shall not be sabelt to any other party, unless approved by Engineer-in-charge in writing.

lix) No fruit tree or vauible plant or trees with truck demeter exceeding 6 inch. shall be, pulled, destroyed or damaged by the contractor / contractors or any of his / their employees without the prior permission of the company, felling

which the cost of such trees or plant shall be deducted from the contractor's / contractor's dues at the rate to be decided by the Company. The rates quoted are supposed to include clearance shrubs and jungles and removal of such trees upto 6 inch dia as well be permitted by the Engineer-in-charge in writing.

xiii) The contractor/contractors shall not pay less than the minimum wages to the labourers engaged by him / toom as per minimum wages Act or such other legislations or award or the minimum wages fixed by the respective state govt. as may be in force and in this matter the decision of the company shall be final and binding.

xiv) All accounts shall be maintained in English and the Company shall have the right of access and inspection of all such books of accounts etc relating to payment of labourers considered necessary and the Company may arrange for witnessing the payment to the labourer by its representatives.

xv) The contractor / contractors shall in addition to any indemnity provided by Law indemnity the company against all liabilities whatsoever arising out of the workmen's Compensation Act, 1923 or any enactment and amendments thereto and shall be wholly responsible for observance of all statutory rules and regulations under any act or award of Govt. to force in matters relating the employment, payment and retrenchment of labour.

No claim shall lie against the company for damage by any act God or on account of circumstances beyond the company's control.

If in any matter which is not expressly provided for or against the condition of any matter or practice appears judicial to the interest of the company may call upon the contractor / contractors to remedy modify or remove such matter or practice and this shall be binding on the contractor / contractors.

### 3. Statements of Approximate Quantities' Variations, Additions Alterations Drawing Specifications.

The quantities noted in Schedule - A are approximate and no claim shall be made against the Company for reduction enhancements of quantities.

Any item the work provided in the scheduled and found not necessary during the progress of the work maybe omitted at the option of the Company and no claim shall lie against the company on this account.

The Executive Engineer shall have power to make any alterations in or additions to the original specifications, drawings, designs and instructions that may appear to him to be necessary or available during the progress of the work and the contractor/contractors shall bound to carry out the work in accordance with any instructions which might be given to them in writing signed by the Executive Engineer/Superintending Engineer and such alteration shall not invalidate the contract and any additional work which the contractor / contractors on the same conditions in all respect on which they agreed to do the main work and at the same rate as are specified in the tender for the main work.

The time for the completion of work shall be extended in the proportion that the additional work bears to the original contracted work and the certificates of the Superintending Engineer / Sr. Executive Engineer / Executive Engineer - in - charge shall be conclusive as to such proportion and if the additional work includes day.

class of work for which no rate is specified in the contract, then rates shall be fixed as follows.

(a) If the item exists in the company's schedule of rates it will be paid for at the scheduled rates plus or minus the percentage by which the tendered amount as quoted by the contractor / contractors for the whole work is above or below the estimated amount but:

(b) If the said item does not exist in the company schedule of rates then a new rate shall be framed by the Superintending Engineer / Sr. Executive Engineer / Executive Engineer by analysing on current market rates of material and labour involved in case of any differences between the contractor/contractors and the Superintending Engineer / Sr. Executive Engineer / Executive Engineer as to the fixation of the rate the matter may be referred to the Addl. Chief Engineer (Civil) whose decision shall be final and binding on the contractor/contractors.

**PROVIDED ALWAYS THAT :**

(a) Contractor/contractors shall not be entitled to any payment for any additional work done unless he/they have received order in writing from the Superintending Engineer / Sr. Executive Engineer / Executive Engineer for such additional work.

(b) The contractor/contractors shall be bound to submit his/their claim for any such additional work done during any month or before 15th day of the following month accompanied by the additional work and.

(c) The contractor/contractors shall not be entitled to any payment in respect of such additional work if he/they fail to submit his/their claim within the aforesaid period.

The work shall conform strictly to the drawings and specification. This will not however prejudice the Company's right to after increase modify, reduce or amend the work or any item thereof in which case the contractor/contractors will have no claim to any payment or compensation whatsoever on account of any profit or advantage which he might have derived from the execution of the work in full but for the reduction in work consequent upon such alteration or curtailment.

The work may be stopped at any time by Company having the contractor or his agent on the works. seven day's notice in writing and the measurement of the works shall be made by the Executive Engineer concerned at any time fixed by him writing subsequent to the expiry of the said notice. The measurements shall be carried out at the said appointed time notwithstanding whether the contractor(s) is/are present or not. On payment for work done and approval as ascertained by the said measurements the contractor(s) shall have no further claims against the company and the contractors shall not be entitled to claim for any compensation of that account.

Any claim as to measurement which the contractor(s) has/have to make shall be made in writing seven days of measurement taken by the Executive Engineer as aforesaid and any claim in respect of such measurement made more than seven days after of such measurement shall be deemed to have been waived by the contractor and would not be maintainable.

**4. Rate, materials and workshop**

The rates quoted shall be for finished work incised work inclusive of all materials of construction.

The company will have full and final authority to reject any material or work done to a defect there in and the Contractor / Contractor's shall forth with remedy the defects at his their own expence and no further work shall be done in connection with particulbuilding or portion of the building or work till such time as the defect is removed to the entire satisfaction of the Engineer-in-charge.

If at any time a material of construction is declared unsuitable by the Company such materials shall be forth with removed from the site and shall not be offered against or inspection or inclusion or inclusion in the construction.

Accurate record of materials, if supplied by the Company should be kept by the contractor / contractors and the record shall be open to check by Engineer in-charge or his authorised representative.

The account of materials shall also be maintained in register which shall be signed both by the authorised representative of the Engineer-in-charge and the contractor / contractors. All materials, tools and plants brought shall be deemed to be held in lieu by the company and the contractor / contractors shall not have the right to remove the same from the site without the written permission of the Engineer-in-charge. However, the Company shall not be liable for any loss theft or damage due to fire or other causes sustained during this period of time.

The contractor / contractors shall be responsible for correct and complete execution of the work in a workman like manner with the materials as per specification which shall always be subject to the approval of the Company at all stages of work.

All work under on in course or execution or executed in pursuance of the contract shall at times be open in inspection and supervision by the Engineer-in-charge or by the Chief Engineer or his authorised representative and the contractor / contractors shall allow the same implement all instruction that may be given by the Company from time to time.

The contractor/contractors shall give not less than one week's notice to the Company before covering up or otherwise placing beyond the reach of measurement any work in order that the same be measured and finally inspected, and shall not be cover up or otherwise place beyond reach any work without the written consent from the company failing which any such work may be uncovered at the contractor / contractors expense.

## 5 Payment

"On account" payment may be made at intervals When the completion of the entire work is certified then one half of the total security Deposit will be refunded to the contractor. The total accounting will be made and the contractor / contractors shall draw final payment of all the money due or payable to them under or by virtue of the contract. The other half of the security deposit will be retained and paid to the contractor / contractors after period of six months or as soon as after the expiration of such period of six months, provided that in case of building work the above said amount shall be refunded after a period six months or at the end of one full monsoon whichever is later in of time. During the period of six months or one full monsoon season mentioned above the contract (s) shall be responsible to set right any defect or defects that might appear in the work and in case of building work the above amount shall be paid only after the buildings above proved to be completely water tight during the full monsoon and all defects have been good in case anything is found to have been paid in excess the contractor/contractors shall return the same.

No interest is payable on amounts withheld under the item of the agreement.

The company shall be at liberty to reduce from the security deposit or from any other sums due or to become due under this contract or under any other contract all sums that becomes due to the Company. All bills shall be per-audited before payment, payments will be made by cheque only.
