All tender will be opened as per above schedule in the presence of the attending tenderers or their authorized representatives. In case where the tender is in two parts, only Part ‘A’ will be opened on the above day and time.

1. Tender should be submitted in the prescribed from in time. These from together with the proposed contact document including specifications and tender drawings may be obtained from the office of the SE (E&M) I/C, Civil Engineering Department, Koyla Nagar, Dhanbad during normal working hours on payment of Rs. 250.00(non-refundable) for each set .The payment mat be made in cash with FM (Pay), Koyla Bhawan. BCCL, Dhanbad.

2. Tender not received in time will be rejected.

3. Tender thus submitted shall consist of the following.
   a. Complete set of tender documents as sold, duly field in and signed on all pages and at different places as required of the tender documents including Part ‘A’ & Part ‘B’ of the tender as per the tender notice as applicable.
   b. Sales tax Registration no. copy attested by a Gazetted Officer of the Govt (Central & State).
   c. Earnest Money Deposit (as specified here after).
   d. Power of attorney in the case the tender is signed by an authorized representative of the tenderers. Full Name and Address of the tenderers shall be written on the bottom left hand corner of the sealed cover.

4. The tender document in which the tender is submitted by the tenderers shall become the property of the company and the company shall have no obligation to return the same to the tenderers.

5. The tender shall be submitted in two parts as indicated in the notice inviting tenders. Part ‘A’ shall consist of earnest money deposit particulars in a separate envelope, any deviations from terms & conditions of tender and additional terms & conditions and if asked for, technical bid & credentials.

6. Part B shall consist of tender documents as sold to the tenderers duly filling in rates, amount etc. i.e. price bid.

7. Part A & Part B should be submitted in two separate sealed envelopes, super-scribed as such.

8. The date of opening of Part B of the tenders shall be communicated in due course after consideration of Part A.

9. Earnest Money should be deposited in Part A of the tender envelope in the form as indicated in the Notice Inviting Tender (NIT).

10. No tender shall be considered unless accompanied by the said earnest money.

11. The earnest money will be retained in the case of successful tenderer and refunded to the unsuccessful tenderer in due curse and ill not carry any interest. The earnest money deposited by the successful tenderer will be dealt with as provided elsewhere in the tender documents.
2.

12. Every tenderer is expected, before quoting his rates, to go through the requirements of materials/workmanship under specification/requirements and conditions of contract and to inspect the site/area of the proposed work.

13. In case of item rate tender a schedule of quantities is enclosed with the tender document. He should quote specific rate for each item in the schedule and the rates shall be in rupees and paisa. The rates shall be written both in words and figures and the unit in the words and the amount against each item totaled. In the event of any discrepancy between the description in words and figure, the description in words will prevail. The rates for the work should be inclusive of all incidentals, overhead, all taxes, excise duties, leads, lifts, carriage, tools and plant etc. as required for execution and completion of the work. It shall be deemed that the tenderer has visited the site/area and got fully acquainted with the working conditions and other prevalent conditions and fluctuations there to whether they actually visited the site/area or not and have taken all the above factors into account while quoting his rates.

14. Corrections where unavoidable, shall be made by crossing out and rewriting attested with full signature and date by the tenderer. Erasing or over-writing in the tender documents may disqualify the tender.

15. The tender shall be submitted either in English or in Hindi.

16. The Tenderer shall closely study all specification clauses which govern the rates for which he is tendering.

17. The work should be completed within 45 Days from expiry of 10th Days from the issue of letter of acceptance of tender/work order or handing over the site or handing over reasonable number of working drawings to the contractor or the period of mobilization allowed in the work order for starting the work in special circumstance, whichever latest.

18. On completion of the work all rubbish, debris bricks etc. shall be removed by the contractor(s) at his/their own expense and the site cleaned and handed over to the company and shall intimate officially of having completed the work as per contract.

19. The company dose not bind itself to accept the lowest tender and reserves the right to reject any or all the tenderers without assigning any reasons whatsoever and split up the work between tow or more tenders or accept the tender in part and not in entirety.

20. The tenderer(s) will indicate equipment/vehicles he/they is/are going to use on this job and also give adequate evidence of experience in doing similar works and financial capacity to complete the work in time.

21. The tenderer(s) should also state what technical/supervisory personal he/they will be employing for supervising the work.

22. Full information should be given by the tenderer in respect of following.

   e. If an individual :- Full name, Postal address, Place of Business.

   f. If proprietary firmly :- Name of the proprietor, Full postal address of firm/proprietors.

   g. If a partnership firm :- Full name of partner, full postal address of the registered office of firm and the partners, registered partnership deed.

   h. In case of company :- Date and place of registration, Memorandum & articles of association, name of the all Directors, full postal address of the registered office & all the Director.

23. Canvassing in connection with the tenders any shape or form is strictly prohibited and tenders submitted by such tenderers who resort to canvassing shall be liable to rejection.

24. If the tenderers deliberately give wrong information in their tender and create circumstances for acceptance of the tender, the company reserves the right such tender or rescind contract at any stage.
25. An intending tenderer, after obtaining tender documents on payment, having doubts as to the meaning of any part of the tender documents may submit to the official inviting tender written request for interpretation or clarification there of any interpretation or clarification of the tender documents by formal addendums if issued by the official inviting tender shall be final and valid and binding on the company and the tenderers.

26. On receipt of letter for acceptance of the tender issued by the company, the successful tenderer shall execute/accept contract agreement/work order in the company’s prescribed from for the due fulfillment of the contract, failure to enter into the required contract/accept the work order, shall entail cancellation of letter of acceptance of tender/work order and forfeiture of the earnest money. The written contract/work order to be entered into between the contractor and the company shall be the foundation of the right of both the parties and the contract shall not be deemed to be executed until contract/work order is signed/accepted by both the parties i.e. contractor and company.

27. The validity period of tender shall be 4(four) months from the date of opening of price bid or revised price bid, if any.

28. In case the tender violates to abide by this, the company will be entitled to forfeit the earnest money and reject the tender.

29. The company reserves the right to postpone the date of receipt and opening of tenders or to cancel the tenders without assigning any reason what-so-ever.

30. The company reserves its right to allow Public Enterprises price preference facility as admissible under prevailing policy.

31. This details tender notice shall be deemed to be part of the contract agreement/work order.

32. No subletting of work as a whole by the contractor is permissible. Subletting the work in piece rated jobs is permissible with the prior approval of the department.

33. In case the contractor enters into any litigation such action should have to be taken in a court of law with jurisdiction over the place the subject work is to be executed.

34. In case of delay in execution/completion in the part of the contractor/agency, penalty will be applicable as per clause 6.2 of general Terms & condition.
