6. No tender shall be considered unless accompanied by the said earnest money deposit.
7. The earnest money will be retained in the case of successful tenderers and will not carry any interest.
8. If desired by us, the successful tenderers shall sign an agreement in the proper departmental form for the due fulfillment of the contract. Failure to enter into the required agreement within the specified period shall entail forfeiture of the earnest money. The written agreement to be entered into between the contractor(s) and the company shall be the foundation of the right of both the parties and the contract shall not be deemed to be completed until the agreement has first been signed by the contractor(s) and then by the Company authorities.
9. Corrections where unavoidable, shall be made by crossing out and re-writing attested with full signature and date by the tenderers. Erasing or over writing in the tender documents may disqualify the tender. Every page of the tender documents shall be signed by the tenderers with their official seal.
10. **The FIP & NOZZLES will be given lot wise as per the availability of failed FIP & NOZZLES. Each lot will be of one or more set & each set will consist of**

1no.of FIP & 6 nos. of Nozzles. Repairing and calibration will be done in course of one year(i.e. During the period of contract) from the date of issuance of work order.

- 11.. To & Fro transportation of lot from Sinidih Workshop will be borne by the tenderers.
12. The work of one lot should be completed within **Eight weeks**, from the receipt of failed lot.
13. On completion of the work all scrap items shall be returned by repairer at his own cost.
14. Bharat Coking Coal Limited reserves the right to accept or reject partly or fully or all the tenderers if offers are found not conforming to our NIT requirements and to split up and distribute the work among the tenderers.
15. The tenderers will indicate the equipment he/they is/are going to use on this job and also give adequate evidence of his experience in doing similar works and financial capacity to complete the work in time.
16. Canvassing in connection with the tenders in any shape or form is strictly prohibited and tenders of contractors who resort to canvassing will be liable to rejection.
17. If a Tenderer deliberately provides wrong information or submits false credentials in support of his qualifications, the Company reserves the right to terminate/rescind the contract, forfeit the EMD and other dues of the contractor and to take any other action as may be deemed fit.
18. An intending tender, after obtaining tender documents on payment of Application Fee, having doubts as to the meaning of any part of the tender documents may submit to the official inviting tender a written request for interpretation or clarification thereof. Any interpretation or clarification of the tender documents by formal addendum if issued by the official inviting tender shall be final and valid and binding on the company and the tenderers.
19. The validity period of the tenders shall be 6 (six) months from the date of opening of price bid or revised price bid, if any.
The tenderers shall not, during the said period or within the period extended by mutual consent, revoke or cancel his tender or alter the tender or any terms/conditions thereof without consent in writing of the company. In case the tenderer violates to abide by this, the Company will be entitled to forfeit the Earnest Money and reject the tender.
20. The Company reserves the right to postpone the date of receipt and opening of tenders or to cancel the tenders without assigning any reason what so ever.
21. The Company reserves its right to allow Public Enterprises purchase/Repair preference facility as admissible under prevailing policy.
22. This detailed Tender Notice shall be deemed to be part of the Contract Agreement/Work Order.
23. No subletting of work as a whole by the contractor is permissible.
24. In case, the contractor enters into any litigation such action should have to be taken in a court of law with jurisdiction over the place where the subject work order has been issued.
