ANNEXURE—A
GENERAL TERMS AND CONDITION

1. Definitions:—
   i) The word 'Company' wherever in the conditions means, the Bharat Coking Coal Limited, represented at BCCL, Gora by the Addl. CE (C)-HQ of the BCCL, Headquarters or his authorised representative or any other officer specially deputed for the purpose.
   ii) The word contractor / contractors wherever occurs means successful tender/ tenders who have/have deposited the necessary Earnest money and have have been given written intimation about the acceptance of tender.

2. Responsibilities of the Contractor / Contractors.
   i) The BCCL reserves the right to insist other contracts in connexion with the project and the Contractor / Contractors shall co-operate in the works for the introduction and stores and materials and execution of his / their works.
   ii) The contractor / contractors keep on the works during the progress a competent Superintendent and necessary, assistant who shall represent the contractor (s) in his / their absence in instant directions shall be confided to the contractor (s) in writing. If the contractor / contractors in course of the work finds / find any discrepancy between the drawing forming part of the contract documents and the physical condition of the locality or any errors or omissions in drawings except those prepared by him/himself/themselves and not approved by the Engineer-in-charge it shall be his / their duty to immediately inform the Engineer-in-charge in writing and the Engineer-in-charge shall verify the same. Any work done after such discovery and without intimation above will done at the risk of the contractor / contractors.
   iii) The contractor / contractors shall employ only competent, skilful and orderly men to do the work. The Engineer-in-Charge shall have right to ask the contractor / contractors to remove from the works site any men of the contractor / contractors who in his opinion is undesirable and the contractor / contractors will have to remove him within three hours of such order.
   iv) Precautions shall be exercised at all times for the protection of persons (including employers) and property. The safety required or recommendation by all applicable laws, codes, status and regulation will be observed. In case any action is taken by the Workman's compensation Act or any other similar laws in force, and shall indemnify the company against any claim on this account. All scaffolding, ladders and such other structures which the workmen are liable to use shall be examined by the Engineer-in-Charge or his authorised representative whenever they went and the structure must be strong, durable and of such design as required by them. In case any structure condemned by the Engineer-in-Charge or his authorised representatives shall be kept on the work and such work must be pulled down within three hours of such condemnation and any certificates or instruction, however, shall in no way detract the contractor / contractors from his / their responsibility as employee as the company shall in no way be responsible for the claim.

The contractor / contractors shall at times exercise reasonable precautions for the safety of employees in the performance of his / their contract and shall comply with
all applicable provisions of the safety laws drawn up by state of Central Govt.
of Municipalities and other authorities in India. The contractor/contractors
shall comply with the provision of the safety handbook as approved and amended
from time to time by the Govt. of India.

v) The contractor/contractors shall familiarize themselves with and be governed by
all laws and rules of Indian and Local Statutes and orders regulating applicable
to his/her work.

vi) Building for the sanitary necessities of all persons employed on the work
shall be constructed and maintained in the number, manner and place approved
or ordered by the Engineer-in-Charge. The contractor/contractors shall vigilantly prohibit committing of nuisance at any other place.

Cost of all work under this item shall be-covered by the contractor/contractors tendered
rates.

vii) The contractor/contractors shall furnish the Engineer-in-Charge or his authorized
representative with work reports from time to time regarding the contractor/contractors
organisation and the progress made by him/them in the execution of the work as per the
contact agreement.

viii) All taxes whether Local Municipal, provincial or Central etc. and costs, royalty etc. these are payable or may become payable shall be the contractor/contractors account and shall be
decided to have been included in the tender for the work to be executed by him/them. The
contractor/contractors will have to produce a certificate from the appropriate authorities
of the state Govt. To the effect that all dues about royalties have been paid. This certificate
will have to be produced before the final payment made security released.

1) On account of manufacturer bricks or collection of mineral minerals in area (both virgin and
non-virgin) acquired by the Company under the Coal Act the contractor will have to
produce a royalty clearance certificate from the District Authorized before full and final
payment.

2) In case the company land is used for manufacture of bricks or extraction of gravel etc the
contractor will have to pay compensation to the company (apart from the liability of the
contractor to make the payment of royalty etc. to the State Govt.) at the same rates of
royalty fixed by the State Govt. or an appropriate deduction may be made in rate to be paid
to the contractors.

ix) The contractor/contractors shall make his their own arrangement for all materials, tools,
staff and labour required for the contract which shall include cost cost of load lift, loading,
unloading, railway freight recruiting expenses and any other charge for the completion of
the work to the entire satisfaction of company.

x) The contractor/contractors shall make their own arrangements for carriage of all materials
to the work-site at his/their own cost and supply of all water required for the contracted
work and drinking water to his/their workmen.

xi) The work shall not be sublet to any other party, unless approved by Engineer-in-Charge
in writing.

xii) No fruit trees or valuable plants or trees with truck diameter exceeding 6 inches
shall be pulled, destroyed or damaged by the contractor/contractors or any of
his/their employees without the prior permission of the company, failing
which the cost of such trees or plant shall be deducted from the contractor's / contractor's
dues at the rate to be decided by the Company. The rates quoted are supposed to include
clearance shrubs and jungles and removal of such trees upto 6 inch dia as well be
permitted by the Engineer in-charge in writing.

xiii) The contractor / contractors shall not pay less than the minimum wages to the labourers
engaged by him / them as per minimum wages Act or such other legislations or award of the
minimum wages fixed by the respective State govt. as may be in force and in this matter the
decision of the company shall be final and binding.

xiv) All accounts shall be maintained in English and the Company shall have the right of
access and inspection of all such books of accounts etc relating to payment of labours
considered necessary and the Company may arrange for witnessing the payment to the
labourers by its representatives.

xv) The contractor / contractors shall in addition to any indemnity provided by Law indemnity
the company against all liabilities whatsoever arising out of the workmen's Compensation
Act, 1923 or any enactment and amendments thereto and shall be wholly responsible for
observation of all statutory rules and regulations under any act or award of Govt. to force
in matters relating the employment, payment and retrenchment of labour.

No claim shall lie against the company for damage by any act God or on account of
circumstances beyond the company's control.

If in any matter which is not expressly provided for or against the violation of any matter
or practice appearing to be to the interest of the company may call upon the contractor /
contractors to remedy modify or remove such matter or practice and this shall be binding on the contractor / contractors.

3. Statements of Approximate Quantities Variations, Additions Alterations Drawing
Schedules etc.

The quantities noted in Schedule - A are approximate and no claim shall be
made against the Company for reduction enhancements of quantities.

Any item the work provided in the schedule and found not necessary during
the progress of the work may be omitted at the option of the Company and no
claim shall lie against the company on this account.

The Executive Engineer shall have power to make any alterations in or additions
to the original specifications, drawings, designs and instructions that may appear to
him to be necessary or available during the progress of the work and the contractor /
contractors shall bound to carry out the work in accordance with any instructions
which might be given to them in writing signed by the Executive Engineer / Superinten
ding Engineer and such alteration shall not invalidate the contract and any
additional work which the contractor / contractors on the same conditions in all
respect on which they agreed to do the main work and at the same rate as are
specified in the tender for the main work.

The time for the completion of work shall be extended in the proportion that
the additional work bears to the original contracted work and the certificates of the
Superintending Engineer / Sr. Executive Engineer / Executive Engineer - in charge
shall be conclusive as to such proportion and if the additional work includes day.
class of work for which no rate is specified in the contract, then rates shall be fixed
as follows:
(a) If the item exists in the company's schedule of rates it will be paid for at the
scheduled rates plus or minus the percentage by which the tendered amount as
quoted by the contractor/contractors for the whole work is above or below the
estimated amount but;
(b) If the said item does not exist in the company schedule of rates then a new rate
shall be fixed by the Superintending Engineer/Sr. Executive Engineer/Executive
Engineer by analysing on current market rates of material and labour
involved in case of any differences between the contractor/contractors and the
Superintending Engineer/Sr. Executive Engineer/Executive Engineer as to the
fixation of the rate the matter may be referred to the Addl. Chief Engineer
(Civil) whose decision shall be final and binding on the contractor/contractors.

PROVIDED ALWAYS THAT:
(a) Contractor/contractors shall not be entitled to any payment for any additional
work done unless he/she has received order in writing from the Superinten-
ding Engineer/Sr. Executive Engineer/Executive Engineer for such additional
work.
(b) The contractor/contractors shall be bound to submit their their claim for any
such additional work done during any month or before 15th day of the
following month accompanied by the additional work and,
(c) The contractor/contractors shall not be entitled to any payment in respect of
such additional work if he/she fail to submit his/her claim within the
aforesaid period.

The work shall conform strictly to the drawings and specifications. This will not
however prejudice the Company's right to alter increase or reduce or alter or
amend the work or any item thereof, in which case the contractor/contractors will have no
claim to any payment or compensation whatsoever on account of any profit or
advantage which he might have derived from the execution of the work in full but
for the reduction in work consequent upon such alteration or curtailment.

The work may be stopped at any time by Company having the contractor or
his agent on the works, seven day's notice in writing and the measurement of the
works shall be made by the Executive Engineer concerned at any time fixed by him
writing subsequent to the expiry of the said notice. The measurements shall be carry-
cut at the said appointed time notwithstanding whether the contractor(s) is are
present or not on payment for work done and approval as ascertained by the said
measurements the contractor(s) shall have no further claims against the company
and the contractor(s) shall not be entitled to claim in any case or compensation in
account.

Any claims as to measurements which the contractor(s) has/have to make shall
be made in writing seven days of measurement taken by the Executive Engineer as
aforesaid and any claim in respect of such measurement made more than seven
days after of such measurement shall be deemed to have been waived by the
contractor and would not be maintainable.

4. Rate, materials and workshop

The rates quoted shall be for finished work incised work inclusive of all
materials of construction.
The company will have full and final authority to reject any material or work done to a defect therein and the Contractor / Contractor's shall forth with remedy the defects at his their own expenses and no further work shall be done in connection with partial building or portion of the building or work till such time as the defect is removed to the entire satisfaction of the Engineer-in-charge.

If at any time a material of construction is declared unsuitable by the Company such materials shall be forth with removed from the site and shall not be offered against or inspection or inclusion in the construction.

Accurate record of materials, if supplied by the Company should be kept by the contractor / contractors and the record shall be open to check by Engineer-in-charge or his authorised representative.

The account of materials shall also be maintained in register which shall be signed and kept by the authorised representative of the Engineer-in-charge and the contractor / contractors. All materials tools and plants brought shall be deemed to be held in lieu by the company and the contractor / contractors shall not have the right to remove the same from the site without the written permission of the Engineer-in-charge. However, the Company shall not be liable for any loss theft or damage due to fire or other causes sustained during this period of line.

The contractor / contractors shall be responsible for correct and complete execution of the work in a workman like manner with the materials as per specification which shall always be subject to the approval of the Company at all stages of work.

All work under in course or execution or executed in pursuance of the contract shall at times be open to inspection and supervision by the Engineer-in-charge or by the Chief Engineer or his authorised representative and the contractor / contractors shall allow the same inspection at all instigation that may be given by the Company from time to time.

The contractor / contractors shall give not less than one week's notice to the Company before covering up or otherwise plugging beyond the result of measurement any work in order that the same may be measured and finally inspected, and shall not be cover up or otherwise placed beyond reach any work without the written consent from the company failing which any such work may be uncovered at the contractor / contractors own risk.

5 Payment

"On account" payment may be made at intervals When the completion of the entire work is certified then one half of the total security deposit will be refunded to the contractor. The total accounting will be made and the contractor / contractors shall draw final payment of all the money due or payable to them under or by virtue of the contract. The other half of the security deposit will be retained and paid to the contractor / contractors after period of six months or as soon as after the expiration of such period of six months provided that in case of building work the above amount shall be refunded after a period of six months or at the end of one full monsoon whichever is later in time. During the period of six months or one full monsoon season mentioned above the contract (s) shall be responsible to set right any defects or defects that might appear in the work and in case of building work the above amount shall be paid only after the buildings above, proved to be complete water tight and not been damaged during the full monsoon and all defects have been good in case anythings is found to have been paid in excess the contractor / contractors shall return the same.
No interest is payable on amounts withheld under the terms of the agreement.

The company shall be at liberty to reduce from the security deposit of from any other sums due or to become due under this contact or under any other contract all sums that become due to the Company. All bills shall be pre-audited before payment; payments will be made by cheque only.

6. Date of Commencement, Rate of Progress, Delays, Postponement, and Penalties

The contractor(s) shall submit a construction schedule showing the order in which he/she proposes (s) to carry out the work, the dates on which he/she will start the several salient features (including procurement of materials), grant any the contemplated dates for completing the same. For the purpose of preparing the schedule, the work shall be deemed to have commenced on expiry of 10 days from the date of issue of the letter of intent or from the date of handing over the site for the work which ever is later.

The work should be commenced within 10 days from the issue of the letter of acceptance from the Administrator or from the date of handing over the site for the work which ever is later and completed on or before the date of completion specified in this agreement.

(a) The time allowed for carrying out the work as entered in the contract agreement shall be strictly observed by the contractor(s) and the time of completion of the work shall be reckoned from 10 days after the issue of the letter of acceptance of tender or from the date of handing over the site for the work which ever is later. The work shall throughout the stipulated period of the contract be carried out with all due diligence (time being deemed to be of the essence of the contract) as compensation for any delay to amount up to 1 percent of the amount of estimated cost of the whole work as shown by the tender for every week that the work remains uncompleted or unfinished after the after the project dates. In the event of the contractor(s) failing to complete within the time of progress specified in the agreement the contractor(s) shall be liable to pay as compensation an amount up to 1 percent of the said estimated cost of the whole work always that the entire amount of compensation to be paid under provision of this clause shall not exceed the compensation 10 percent of estimated cost of the work as shown by the tender.

If, by the provisions of any particular portion of the work is unsatisfactory the Executive Engineer shall not withstanding that the General progress in satisfactory in accordance with clause 6 (a) be entitled to take action under the clause 6 (b) after giving contractor/contractor(s) 10 days notice in writing and the contractor/contractor(s) will have no claim for damages sustained by them owing to such action.

(b) To employ another Agency for executing the job or labour paid by the company and to supply materials to carry out the work on any part of the work, defining the contractor/contractor(s) with the cost involved in engaging another agency or the cost of the labour and materials prices (or the amounts of which cost and price certificate of the Executive Engineer shall be final and conclusive against the contractor/contractor(s) as the case may be and crediting the same with the contractor the certificate of the Executive Engineer as to the value of the work done shall be final and conclusive against the contractor/contractor(s).

7. Termination of Contract

The contract may be rescinded and the security deposit and other dues of his
7. Termination of Contract

The contract may be rescinded and the security deposit and other dues due under the contract or any other work done under the contract may be forfeited and brought to the absolute satisfaction or is not likely to disposal of the Company if in the opinion of the company (i) progress is properly completed within the stipulated time or (ii) if the contractor/contractors with the terms and conditions (iii) if it is found the irregularities mentioned under clause 2 (a) above have been committed.

On receipt of notice of termination of contract the contractor/contractors would be entitled to payment for work actually done except in case of conditions (iii) above and the amount to be paid will be decided by the company in the light of clause 6 (a) and (b) above.

8. Adjustment of the dues

If any sum found due from & payable to company by the contractor/contractors in connection with any other contract/contracts the Company shall have right and liberty to adjust the same out of the dues under other contracts.

9. Arbitration

"All disputes or differences whatsoever arising between the parties out of or relating to the construction meaning and operation or effect of this contract or breach thereof shall be to be decided by a sole arbitrator appointed by the CMD of BCCL and award of arbitrator shall be final and binding on the parties concerned. The arbitrator may from time to time, with the consent of the parties, announce the time for making and publishing the awards. The arbitration proceeding shall be in accordance with the Arbitration Act 1940."

10. In respect of interpretation of any clause or item specification herein incorporated the interpretation of the Add C E (C) HQ will be final and bind.

11. Every tenderer will be required to produce particulars of Registration Licence of the competent authority under the contract Labour (Regulation & Abolition) Act 1970

12. The contractor/contractors shall during the currency of the contract comply with all the proportions as may be required in writing by the Engineer-in-charge. The contractor/contractors shall train them as required under the Apprentices Act 1961 and shall be responsible for all the obligations of the employer under the said Act including the liability payment to apprentices as required under the act.

13. Supply of Material

(i) The contractor(s) will themselves be responsible to arrange all materials required for the work except cement. However wherever possible the company will provide him/them all possible help in the form of permit authorisation etc for the procurement of the same.

(ii) The company will supply the cement to the contractor(s) at the B C C L store at Rs. per bag, requisition well in advance No claim will be entertained in case of delay in supply of cement to the contractor(s) & for the transportation of cement from the stores of B C C L to Work etc.

(iii) Coal if required for brick burning purpose for the work will be supplied at pit top at the prevailing rates from time to time on payment of the cost thereof.

(iv) The company will supply the steel to the contractor(s) at the B C C L store at Rs. per ton on requisition well in advance No claim will be entertained in case of delay in supply of steel to the contractors.
