## Notice

**Sub: Waiver of PI (Performance Incentive) for the quantity lifted by Power consumers under FSA from BCCL through Rail / Road / RCR mode beyond 90% of MSQ from May'25 to Sep.'25**

This is for kind information to all concerned powerhouse consumers having FSA with BCCL (including flexi-linkage) that a dispensation for waiver of PI (Performance Incentive) is hereby provided to the Power consumers for the quantity lifted during 1<sup>st</sup> May'2025 to 30<sup>th</sup> September 2025 through Rail/ Road/ RCR mode beyond 90% of MSQ (Monthly Scheduled Quantity). This means that the quantity lifted beyond 90% of MSQ during aforesaid period shall not be considered for the purpose of calculation of PI (Performance Incentive) at the end of FY 2025-26.

All power consumers having FSA with BCCL (including flexi linkage) are requested to avail maximum advantage of such dispensation. FSA (Power) consumers are requested to ensure filing of enhanced rail movement programs at BCCL through Rail mode and also increase lifting of coal through Road / RCR mode; needless to say that the quantity lifted beyond the MSQ would be 40% cheaper.

This issues with the competent approval.
